

March 2, 1934

After a canvass of the members of the Athletic Committee regarding the question of granting concessions on the college campus, the following decision was reached:

Inasmuch as there is a student loan fund in existence, and many students applying for assistance have been directly benefited through this fund, the Committee feels that all concessions should be turned over to the Y. W. C. A. for the purpose of increasing this student loan fund. In this way the benefits accruing from the sale of certain confectionaries would be more evenly distributed to all students on the campus. Any students desiring to sell confectionaries should apply directly to the Chairman of the student loan fund.

ATHLETIC COMMITTEE  
December 16, 1938

Present: Judd, Rice, Jackson, Lappin

The following letter was presented to the Committee by Mr. Judd--  
December 14, 1938

To the Athletic Committee

Gentlemen:

I had two teeth broken in the Central Indiana Teachers College football game on November 11th, 1938. I am not able personally to have them fixed. I should appreciate the kind consideration of the Athletic Committee in the matter.

Dr. Ellington has estimated the cost of fixing my teeth at about forty dollars (\$40.00).

Very truly yours,

Lawrence Marzetti.

Moved by Jackson and seconded by Rice that the Committee recommend the payment of the bill mentioned above, the amount not to exceed forty dollars (\$40.00). Motion carried.

Moved by Rice and seconded by Jackson that a bill of Dr. E.D. Blair for \$3.00 for treatment of Frank Robertson be allowed. Motion carried.

## ATHLETIC COMMITTEE

February 7, 1944

Present: Fair, Rice, Jackson, Miller. President Vaughan met with the committee.

Moved by Rice and Seconded by Jackson that sweaters be purchased from the Sutcliffe Company and awarded to the following:

Players-- Brand, Cooper, Carpenter, Otten, Calhoun, Harold Holbrook, Combs, Beacraft, and Noger

Manager-- Gordon Moore

Cheer Leaders-- Eulah Figsby and Ruth Boggs

It was agreed that the team should participate in a charity game at Louisville for the Infantile Paralysis Fund if invited.

There was some discussion about entering the tournament at Kansas City. Opinion seemed to be against entering but no action was taken.

The committee suggested that the Dean and the Coach see if additional games could be scheduled to be played during the week that ordinarily would be the week of the K.I.A.C. Tournament.

## ATHLETIC COMMITTEE

3/4/44

Present: Fair, Jackson, Miller, Rice, Nooe, Lappin

Agreed by the Committee that the following arrangements should hold for the 16th Regional Tournament in the event that it should be voted to Morehead--

1. That the Training School should have charge of the concessions
2. That Mr. Fair should act as ticket-seller and Mr. Jackson as door-keeper, each to be paid \$2.00 a session.
3. That Mr. Sample should handle the programs, these to be given away and Sample to have the profits from advertising.

Secretary

  
Chairman

The Athletic Committee met at 1:00, October 3, 1945 in Ike Nooe's office. Members present were: Nooe, Fowler, Rice, Jackson, Mays, Fair. Acting Coach Laughlin and "Red" Moore were also present.

Nolan Fowler was railroaded into the Secretaryship.

Acting Coach Bobby Laughlin gave an account of the negotiations concerning the proposed K. I. A. C. Tournament to be held in Louisville the latter part of February. Laughlin also spoke of an invitation tournament to be held at Jeffersonville, Indiana November 23-24 and presented a letter containing all pertinent information. He declared himself to be heartily in favor of competing in the proposed tournament for various reasons.

Ike Nooe took up the problem of athlete's pay. He disclosed that Morehead now has an ex-Eastern athlete who while at Eastern got his tuition, books, board, room and \$5.00 per week. Angered because of Eastern's star, Lewis, he left school. Nooe discussed methods of adding to the emolument of the athletes so that Morehead could compete with other K. I. A. C. schools in getting high school players for the college. Nooe opined that the proceeds from the two tournaments would be a most welcome addition to the funds.

Mr. Jackson inquired whether the profits from the Jeffersonville tournament, if any, could be put into a special athletic fund, but Nooe explained that all receipts must go into the general fund, to be disbursed through the regular channels.

The group agreed that the best way for the athletes to secure any money upon the side was to grant them a concession to sell soft drinks, cigarettes, programs, etc., at athletic contests.

Mr. Rice moved and Mr. Jackson seconded that Morehead go to the Jeffersonville tournament. The motion was unanimously carried.

Mr. Nooe moved and Mr. Rice seconded that Laughlin's action in agreeing for Morehead to participate in the K. I. A. C. Tournament be approved. The motion was unanimously carried.

Mr. Laughlin next took up the matter of the basketball schedule. He proposed, and the majority of the committee agreed, that Morehead should play tougher teams henceforth if possible, from the standpoint of fees and publicity.

"Red" Moore proposed that Morehead put out programs for the home basketball games. "Red" expressed the opinion that the whole program would cost around \$150.00. He proposed to sell ads to defray part of the cost, stating that probably some \$40.00 or \$50.00 (cost of the cuts) would have to be defrayed by the school, and specifically by the Publicity Department. Mr. Rice moved and Mr. Mays seconded the motion that we approve the project. The motion was carried.

(over)

Ike Nooe disclosed that President Vaughan had written a letter some time ago directing Mr. Jackson to turn over the blankets belonging to the Athletic Committee and formerly used for visiting athletic teams, to Mr. Rice to be used as the occasion demanded in the dormitories.

Mr. Nooe moved that the committee approve the president's action. The motion was seconded by Mr. Rice and was carried.

Chairman Linus A. Fair

Secretary Nelson H. Humber

Date: Tuesday, October 16, 1945

Place: Comptroller's Office

Members Present: Nooe, Rice, Fair, Fowler, Mays, Jackson, Laughlin

Ike Nooe moved and Mr. Rice seconded that we dispense with the reading of the minutes. The motion was carried.

Mr. Fair, Chairman, produced a letter from the S. I. A. A. executive office asking for certain information. It was stated in the letter that an executive committee meeting should be held soon and asked for us to submit a date. The name of our delegate to the meeting and the officials of our athletic organization were desired. Those problems which this committee (Morehead's) would like to have discussed at the forthcoming meeting were asked for also.

The whole committee then engaged in a rather fruitless discussion, as far as results were concerned, of the letter, and especially upon that part which mentioned the problems to be handled at the future meeting of the S. I. A. A. executive committee. Most of the discussion centered around the problem of the returning soldier-athlete. The consensus of the committee seemed to be that athletes who had formerly played for one school in the S. I. A. A. should not be allowed to compete for another school in the same conference, but that it would be legitimate for athletes from a non-conference school to compete in the S. I. A. A. if he so wished.

The committee was of an unanimous opinion that the executive committee meeting of the S. I. A. A. be held around the middle of December so that Coach Ellis Johnson could attend.

Mr. Fair then brought up the subject of dues to the S. I. A. A. The committee recommended that we take no action regarding dues until notified by the S. I. A. A.

Mr. Fair informed the committee that President Vaughan had asked this group to formulate some regulations concerning the selection of cheerleaders and the awards to be made to them. It seems that much confusion has existed and does exist relative to the selection and rewarding of the cheerleaders. A survey of the minutes has disclosed only two provisions that apply to the problem, to-wit: (a) December 11, 1930, "No cheerleader sweaters shall be awarded to students who do not have a quality point standing of one or better;" and (b) May 3, 1937, "Cheerleaders [will] be granted sweaters in the sophomore or junior year and senior year, no individual to receive more than two (2) sweaters during college career." In the ensuing discussion it was specifically declared that no freshman could be awarded a sweater, although a letter might be granted.

Relative to the selection of cheerleaders Ike Nooe finally moved that the election of official cheerleaders (no specified number) who would serve for the period of one year be held before the end of the third week of school in the fall of each year under the auspices of the Physical Education Department at a special meeting called for the purpose (not a regular convocation) wherein

all students would be permitted to record their choices by written ballot, the old cheerleaders to hold over until the election. Mr. Jackson seconded the motion which was unanimously carried. Mr. Laughlin was asked to acquaint Mrs. Howard with the committee's decision and to ask her that an election for this year's cheerleaders be carried out within the next two weeks.

Coach Laughlin proposed and it was moved by Mr. Jackson that a coke and/or a candy vending machine be secured and placed in the lobby of the auditorium, the proceeds of said machine(s) to be used to purchase books for an athletic library or to meet the expenses of any other necessary extra-curricular activities of the Physical Education Department. Mr. Mays seconded the motion and it was unanimously carried.

Chairman: Linus A. Fair

Secretary: Nolan Fowler

Time: December 6, 1945

Place: Comptroller's Office

Members Present: Nooe, Jackson, Mays, Laughlin, Rice, Fowler. In the absence of Mr. Fair, Mr. Jackson presided.

The meeting was called because of the imminence of the first College basketball game (Saturday night) and the consequent need for drawing up certain policies to guide the actions of the Athletic Committee during the indoor season.

Mr. Nooe started the ball rolling by moving--

1. That tickets for all home games (with the exception of "special" contests) be fifty (.50) cents to adults, and twenty-five cents (.25) to children of high school age and under, and to members of the armed forces in uniforms;
2. That free admission be granted to--
  - (a) members of the Athletic Committee and their immediate families;
  - (b) the President, Dean, and their immediate families,
  - (c) local ministers;
  - (d) officers of the law upon presentation of credentials;
  - (e) one member from each newspaper staff that desires to cover the game;
  - (f) the coaches and two of their players from the high school and college teams of this area;
  - (g) cheerleaders for the opposing team if they are in uniform; and to
  - (h) the coach of the College Training School and his immediate family;
3. That the members of the college faculty, their immediate families, and the students of the Training School be privileged to purchase college student activity books.

Mr. Jackson seconded this triple-headed motion, and it was unanimously carried.

Mr. Rice moved and Mr. Mays seconded that Mr. Nooe be empowered to have seasonal passes printed, said passes to be distributed at the discretion of the President and the Athletic Committee. The motion was carried.

Mr. Nooe moved and Mr. Rice seconded that Mr. Nooe be authorized to have passes for single games printed, said passes likewise to be distributed at the discretion of the Athletic Committee and the President. The motion was carried.

It was agreed at this meeting--

1. That the Business Office would handle all ticket sales;
2. That members of the Athletic Committee would take up tickets at the gate;

3. That pass-out checks would be furnished by Mr. Nooe for for each game.

The rest of the meeting was devoted to a discussion of the doings of one, Lewis A. Tarpley, promoter of the Ohio Valley Basketball Tournament at the Jeffersonville, Ind., Fieldhouse, November 23-24, 1945, in which M. S. T. C. participated.

It seems that Tarpley had just written a letter to the Acting Coach, Bob Laughlin, stating that the tournament had been a loss to him, but that he was sending along a check for \$69.55, to cover the cost of Morehead's room bill at the Watterson Hotel in Louisville during the tourney. He also submitted a profit and loss statement which apparently showed that he went into the red to the tune of \$632.69.

Two items upon his financial statement evoked a considerable amount of comment by the Committee, to-wit: (a) three schools were paid a total of \$550.00 in guarantees, but yet nothing was said to Morehead either before or during the tournament concerning these guarantees; (b) in his list of expenses he did not include the checks of \$69.55 to Morehead nor a similar one which Mr. Nooe has ascertained was paid to Kentucky Wesleyan.

The upshot of our whole discussion resulted in Bro. Tarpley being designated a rascal and a deep dyed one at that. The Committee agreed that he should be checked upon most carefully henceforward, but that no overt action be taken against him at present because he has a lease this year upon the Armory in Louisville, scene of the K. I. A. C. tourney the last weekend in February.

## ATHLETIC COMMITTEE

Time: January 3, 1946

Place: Comptroller's Office

Members present: Fair, Mays, Nooe, Rice, Jackson, Coach Johnson, and Fowler.

Mr. Nooe moved and Mr. Jackson seconded that the legislation relative to the choice of college cheerleaders which was passed upon by the committee at the meeting of October 16, 1945, be amended to read as follows: (Not more than four sweaters shall be awarded to official cheerleaders in any one school year.) Motion unanimously carried.

Mr. Nooe moved and Mr. Jackson seconded that (all cheerleaders who are not eligible for sweaters but who have served for the duration of the school year shall be awarded letters at the recommendation of the Physical Education Department; provided that the said cheerleaders shall have been selected in the manner prescribed by the minutes of the meeting of October 16, 1945.)

Mr. Rice moved and Mr. Jackson seconded that the prices for the doubleheader of January 8 (M. S. T. C. vs. U. of Louisville, and Breckinridge T. S. vs. Brooksville H. S. ) be one dollar (\$1.00) and fifty cents (.50), respectively, for adults and children.

Coach Johnson said that the same two officials would work both games at a fee of twenty-five dollars (\$25.00) for each man. The committee commended the coach for his financial perspicacity.

Mr. Nooe proposed that the prices for the "name" contests--those with Eastern, Western, and Murray--be upped. Mr. Rice and Coach Johnson dissented--and vigorously, too. Their opinion was, and the rest of the committee agreed, that it would be a poor policy to penalize the loyal supporters of the team--those steadfast individuals who turn up for every contest, even the punkest of them--by increasing the tariff for the big games. In the end it was agreed to leave the schedule of prices as they were.

Mr. Johnson disclosed to the committee that President Vaughan had asked for a football team next fall, and he (the coach) asked that the committee grant him the authority to begin scheduling games.

Mr. Rice rose magnificently to the occasion by moving in stentorian voice "that Coach Johnson be empowered to secure not only football games for next fall but also football players!" Mr. Nooe seconded the motion, and upon Mr. Fair's putting the question the whole room vibrated to the "Aye" chorus.

(At this point the committee engaged in an of-the-record discussion of at least thirty minutes duration concerning that omnipresent and ever thorny problem of athlete subsidization.)

Mr. Rice moved and Mr. Mays seconded that the payment of the food bill for the basketball team at the Greyhound Restaurant during the holidays be approved by the committee. Carried.

Coach Johnson disclosed that there would be no formal football practice this spring--not enough boys. However, he was intending to hold informal practice sessions.

Mr. Rice stated that a lot of work would have to be done upon the stadium before the football season begins in the fall and asked that the Athletic Committee authorize him to proceed with the work. Mr. Jackson moved and Mr. Nooe seconded that the committee grant him the requested authorization. Carried.

Selection of Cheerleaders--Provisions Relating to

1. "No cheerleader sweaters shall be awarded to students who do not have a quality point standing of one [1.0] or better."--Dec. 11, 1930.

2. "Cheerleaders [will] be granted sweaters in the sophomore or junior year and senior year, no individual to receive more than two (2) sweaters during college career."--May 3, 1937.

3. "Cheerleaders must serve two years before they are eligible for free sweaters."--Jan. 26, 1945.

4. "The election of cheerleaders (no specified number) who would serve for the period of one year [shall] be held before the end of the third week of school in the fall of each year under the auspices of the Physical Education Department at a special meeting called for the purpose (not a regular convocation) wherein all students would be permitted to record their choices by written ballot, the old cheerleaders to hold over until the election."--Oct. 16, 1945

"It was specifically declared that no freshman could be awarded a sweater, although a letter might be granted."--Oct. 16, 1945.

5. "Not more than four sweaters shall be awarded to official cheerleaders in any one school year."--Jan 3, 1946.

"All cheerleaders who are not eligible for sweaters but who have served for the duration of the school year shall be awarded letters at the recommendation of the Physical Education Department; provided that the said cheerleaders shall have been selected in the manner prescribed by the minutes of the meeting of October 16, 1945."--Jan. 3, 1946.

(It was agreed by the whole committee at this meeting that no limit should be set upon alternate cheerleaders in any one year, but that there could not be more than four official cheerleaders.)

## M. S. T. C. ATHLETIC COMMITTEE

Time--7:00 P. M., January 15, 1946.

Place--Comptroller's Office.

Members Present--Fair, Fowler, Jackson, Johnson, Rice, Mays, Nooe.

Visitor--President Vaughan.

## Business

The question of eligibility was the main problem of the eve. It had been precipitated by the case of Roscoe Hutchinson, erstwhile Breck basketball ace and more recently an employee of Uncle Sam in the armed forces. When Roscoe entered the army, he had not yet graduated from Breck; as an actual matter of fact, he had only thirteen credit units (sixteen are necessary for graduation.) He is now a member of the college basketball team, but whether he is eligible so to be was the question.

Chairman Linus Fair stated at the outset of the meeting that Morehead had no established eligibility rules and said that in his opinion the committee should take some action toward setting up some. He then passed out the following list of prospective eligibility rules which he had drawn up for the consideration of the members:

"No student shall be permitted to represent Morehead State Teachers College in intercollegiate athletic contests until he has been certified, in writing, as eligible by the Chairman of the Athletic Committee.

"In order that this resolution may be made effective it shall be necessary for the Coach to furnish the Chairman a list of all potential participants a sufficient time in advance of participation that records may be checked adequately.

"It shall be the responsibility of the individual student to have all data necessary for determining his eligibility properly filed in the Registrar's office."

No one seemed to question the usefulness of the first two rules, but the third drew a heavy fire, chief artilleryman being President Vaughan. He said that he favored its sentiment, but he hoped that it would be interpreted in a liberal fashion. By all means, get the boy to furnish the data if possible, but rather than anger a good prospective athlete, let the Committee Chairman take it upon himself to see that the boy's high school or college records are transferred to this school.

Coach Johnson finally moved that the proposed rules be accepted as binding by the committee. Mr. Jackson seconded. Carried.

The committee then took up Hutchinson's case. It seems that during the war and at the present time the only S. I. A. A. eligibility rule which is operative is the one which states that any man shall be eligible for intercollegiate athletics who is still an undergraduate and is a "regularly enrolled student?" The big question then was "Is 'Hutch' a regularly enrolled student?"

Now a person may become a regularly enrolled student in either of two ways: (a) by presenting a certificate of graduation from an accredited high school, or, (b) by offering fifteen high school credits for admission then passing an entrance exam. Obviously, according to this setup "Hutch" is not a regularly enrolled student. However, American Colleges and Universities are now allowing between one and two units of high school credit for all those inductees still in high school who complete basic training, or six or eight college hours credit for boys enrolled in college. Morehead to date has not decided just how many high school or college credits she will allow for basic training.

The President promised to call a meeting of the Executive Committee upon the morrow to decide upon the above the problem of veteran credits, not specifically for "Hutch," but for all veterans. (Ten to one that the Executive Committee votes to allow two high school credits for basic training. Then "Hutch" will be under the wire!)

That problem disposed of, President Vaughan took his departure. Mr. Fair then stated his belief that the committee should have a vice-chairman to serve in the absence of the chairman. Mr. Nooe nominated Mr. Rice, and he was elected before he could get his best briar out of the corner of his mouth.

The secretary expressed his disgust at the slipshod way in which the minutes of the committee had been kept, and asked that he be empowered to codify the rules and regulations of the said committee. Mr. Jackson made a motion to that effect--seconded by Nooe--carried.

The committee agreed to recognize Prof. and Mrs. George at the gate before each game because of their assistance in musical matters at the games.

The final item of the evening to be discussed was the matter of concessions at the college games. Upon October 16 of last year, Coach Laughlin had been granted authority to secure coke and/or candy vending machines, said machines to be placed inside the auditorium and the proceeds to go for the setting up of an athletic library. It seems that Laughlin had been unable to effect anything along that line, and in the meantime the Breck students had been selling drinks, candy, popcorn, etc., at the college games. The committee agreed that the motion of October 16, 1945 should remain in effect and that if the Athletic Department could not handle the concession then it should be turned over to some college organization. In no case, however, were the high school students to be permitted to operate a concession at the college games.

P. S. January 16, 1946--The Executive Committee today voted to grant two high school credits for the completion of basic training!

M. S. T. C. Athletic Committee Meeting

Place--Comptroller's Office

Time--7:15 P. M.,

Members Present--Fair, Jackson, Rice, Johnson, Nooe--also President  
Vaughan.

Business

1. Reading of the minutes of previous meeting dispensed with.
2. Decided that awards for basketball season would be taken up at next committee meeting. No action.
3. Banquet for Basketball Team--opinion of committee against. No action. No vote.
4. Motion by Rice, seconded by Jackson, that Mr. Fair and Coach Johnson attend S. I. A. A. Meeting at Birmingham, Ala., April 4-6, 1946. Carried.
5. Suggestions made to S. I. A. A. delegates:
  - (a) Have freshman made eligible for four years of varsity ball.
  - (b) Secure a definition of the phrase "a regularly enrolled student."
  - (c) Get some statement regarding subsidizing.
6. Committee discussed personnel in Athletic Department and plans for future.

Ike Nooe, Acting Secretary

M. S. T. C. Athletic Committee Meeting

Place--Comptroller's Office

Time--3:00 P. M., Tuesday, April 9, 1946

Members Present-- Fair, (Chairman), Rice, Nooe, Anderson, Jackson, Fowler, and Coach Johnson. President Vaughan present in ex officio capacity.  
by Coach Johnson,

The meeting opened with an account by Mr. Fair, assisted at strategic intervals of the recent S. I. A.A. meeting which they attended in Birmingham, Ala., At the meeting two rules were passed affecting freshman and five affecting the veteran-athlete. Those rules pertaining to freshmen were: (a) They may compete as members of any varsity team until Sept., 1947. The vote was 14-11 (b) Member institutions shall be charged with the responsibility of determining minimum academic standards.

For the veteran-athlete the following rules were adopted: (a) a veteran is eligible to compete at any school in the conference, regardless of the place of his previous competition; (b) veterans shall be entitled to four years of varsity competition; (c) Any competition while a member of any service unit shall not be held against an athlete; (d) No fraction of a season shall be held against the veteran athlete; (e) Any veteran to be eligible for competition must have effected his registration by October 1. He may move around all that he likes before that date, but must stay put after that. Apropos of this last rule, it was agreed that non-veteran athletes (i. e. civilian athletes) should be entitled to all of the privileges of rule (e) with the exception that transferring could not take place between the member schools of the association.

Prof. Fair also reported that the term "a regularly enrolled student" was not defined at the meeting.

Coach Johnson then submitted a tentative football schedule for next fall:

|                |                 |                |                      |
|----------------|-----------------|----------------|----------------------|
| September 28-- | Morris Harvey-- | Charleston--   | \$500.00             |
| October 4--    | Murray          | --Murray       | --\$575.00           |
| October 12--   | West Liberty    |                |                      |
|                | (W. Va.)        | --Morehead     | --\$700.00           |
| October 19--   | Unfilled as yet |                |                      |
| October 26--   | " " "           |                |                      |
| November 2--   | Eastern         | --Morehead     | --Home and Home      |
| November 9--   | Western         | --Morehead     | --Not settled        |
| November 16--  | Marshall        | --Huntington-- | Fifty-fifty probably |

Coach Johnson then presented an estimate for football supplies--\$3,400, give or take a hundred or so. Ike Nooe expressed pessimism

as to whether he could seing it or not--not enough money in the kitty. Finally Rice moved and Jackson seconded that ike be empowered to try to get requisition for the extra amount needed through Frankfort. Carried.

Coach Johnson next submitted the names of the following individuals for athletic awards in basketball:

Player Sweaters: Miller, Hawhee, Nichols, Tucker, and "Red" Moore (manager).

Player Letters: Pobst and Prater.

Cheerleader Sweater: Merl Fair.

Cheerleader Letters: Alene Hopkins, Betty Creech, Nancy Van Hoose, and Betty Wilson.

Coach Johnson also stated that there were four sweaters left over from a previous order and that he would like to award the same to Mussman, Wiggins, and Hambrick--all seniors.

Ike Nooe moved and Jackson seconded that sweaters and letters be purchased and/or disposed of in accordance with Coach Johnson's recommendations. Carried.

The next topic upon the agenda was broached by Mr. Rice, Supt. of Buildings and Grounds. He had investigated the cost of lighting the football field, and found that it would cost around \$3,500. He said that the investment should pay for itself within a year. After a fairly lengthy discussion the same duo, Nooe and Jackson, moved and seconded that Pres. Vaughan take the question of obtaining electric lights for the stadium before the Board of Regents. Carried.

The rest of the meeting was a pot-pourri, a little of everything being discussed: The effect of the Horse Show (to be held in July) upon the turf of the football field; fixing up the tennis courts and the maintenance thereof; renovation and addition of rest rooms at the stadium; effect of baseball upon turf of field; creation of good will for college by use of passes; problem of tickets for former lettermen; setting up on an "M Club," and so on. Interesting as devil but time-consuming. Total tength of session was a cool two hours!

Nolan Fowler  
Nolan Fowler, Secretary

Athletic Committee of M. S. T. C.

Place--Comptroller's Office.

Time--1:00 P. M., Friday, June 14, 1946.

Presiding--Prof. Fair, Chairman

Members Present--Fair, Johnson, Nooe, Jackson, Fowler, also Dean Lappin.

First matter of business: Eligibility of freshmen. Prof. Fair said that at the S. I. A. A. meeting this matter was agreed by members to be left up to the officials of each member school for decision.

Coach Johnson then took the floor. Said he was interested in protecting G. I. athletes in schools. Thought standards should be upheld rigorously for boys just out of high school, but questioned the advisability of holding to the same policy for those boys who may have suffered some mental disability of a temporary nature while in service. The old ruling was that our athlete must advance each year--freshman to sophomore, sophomore to junior, junior to senior.

Much discussion ensued over this problem, but no definitive action was taken. Mr. Nooe did draw up a plan which Dean Lappin agreed to submit to the faculty for its approval, and to the registrars of the teachers' colleges in Kentucky to get their reaction.

Over an hour was spent arguing this problem. As a consequence not too much time was spent on the other topics. Ellis disclosed that he had been contacted by promoters from Cincinnati and Louisville, asking that Morehead play a series of basketball games against "name" opponents in those cities this winter. He displayed the contracts for the games. They called for a flat guarantee of \$150.00 for each contest, plus 5% of the net gate receipts. The committee was inclined toward caution, having a most vivid recollection of the skullduggery of Brother War play at the Jeffersonville tourney last November. In the end, however, Mr. Jackson moved and Mr. Nooe seconded that Ellis and Chairman Fair be empowered to sign the contracts for the games.

Ellis mentioned another topic or two but because of the time factor action upon them was postponed until another meeting of the committee.

Adjourned at 2:40! Whew!

M. S. T. C. Athletic Committee Meeting

Time--10:00 A. M., Friday, September 20, 1946

Place--Comptroller's Office

Members Present--Fair(ch.), Rice, Hogan (Comptroller), Mays, Jackson, Johnson, Fowler.

Business

The Coach said that he had two topics to take up with the Committee--price for student activity tickets (books) for the coming school year, and the rates for football tickets to non-students.

Ellis said that all of the State Teachers Colleges were upping the price of their student activity books and thought that Morehead needed to take some action on the matter before registration begins Monday. The Morehead rate at present is \$1.00 per quarter.

Mr. Rice moved that the price of student activity books be upped to \$3.00 for each of the fall and winter quarters and that it remain at the present rate for the spring and summer quarters. Seconded by Mr. Jackson. Some discussion ensued at this point. Mr. Mays thought that it would be better policy to charge a flat rate of \$2.00 for each quarter. Motion unanimously carried in end, however.

Mr. Rice moved and Mr. Jackson seconded that there be but one ticket and one price for all football games--\$1.50. In short, if an individual requires or takes a seat he or she pays \$1.50, regardless of age. Carried unanimously.

Mr. Rice moved that the same rules for free admissions which apply to basketball games (see p. 83) apply also to football contests with this added proviso which is to hold for all athletic activity at the college: that all letter men be admitted free to all those games in the sport (or sports) in which they received their letter(s). Coach Johnson seconded. Carried unanimously.

Mr. Jackson moved that season tickets for the home football games be set at \$5.00 each. Seconded by Rice. No discussion. Unanimously carried.

The Committee agreed after some wrangling that all football men would be charged for their student activity books. This would make no difference to the ex-service athlete because Uncle Sam is footing his bill, and it was understood that the cost of the books for non-service athletes would be taken care of by the College Activity Fund--our financial ace-in-the-hole.

Mr. Fair said that he had a letter from the sec'y-tr's'r of the S. I. A. A. apprising him of an impending meeting of officers of the organization and inquiring what topics Morehead would like to see handled. The Committee delegated Mr. Fair to write a letter to the S. I. A. A. secretary, asking that the present suspended status of the freshmen rules be maintained for at least one more year.

M. S. T. C. Athletic Committee

Place --Pres. Baird's residence.

Time --7:00 P. M., Oct. 9, 1946

Members Present--Fair, Jackson, Mayes, Anderson, Rice, Johnson, Hogan, Fowler. Pres. Baird present in ex officio capacity.

Some small talk at first--members seemed a bit nervous--just waiting for something to happen. A few jokes told. Talk then veered to the current World Series--Red Sox won today over the Cards 4-0. Hogan held up the works by coming in at 7:13 instead of the scheduled 7:00.

The first item tonight, and a most pleasing one, too, was a dish of delicious vanilla ice cream for each of us--compliments of Pres. Baird.

Chairman Fair finally got proceedings under way at 7:24 when he asked Pres. Baird his wishes concerning the future of the present Committee. The latter stated that he wanted the Committee to continue functioning as is. Also asked that the Committee continue its present work re the handling of athletic contest, especially the taking up of tickets.

Mr. Hogan, Comptroller of College, disclosed that the tickets were ready for the first game, which is with West Liberty (West Va.) Saturday.

Matter of student activity books taken up next. Pres. Baird said that the action taken by the Committee at its last meeting--raising the fee to \$3.00 for the fall and winter quarters--could not be sustained because the College catalog for the year had already been distributed far and wide, and in it the fee had been stated as \$1.00. "We must keep faith with the public," stated Pres. Baird.

The problem of who was to be permitted to purchase student activity books was taken up next. It was agreed to continue the present practice of allowing members of the college faculty, their immediate families, the faculty of the Training School, and the students of the Training School to purchase the student activity books at the same rate--\$1.00--as charged to college students. Pres. Baird and Coach Johnson then recommended that this privilege be also extended to the faculty and students of the Morehead Consolidated School. Quite a bit of discussion here. Some members felt that some skulduggery would get a start here--members of the town school student body would purchase the tickets and then sell them to outsiders. The consensus of the group, though, was that the measure would serve to bring about a rapprochement between the town and college and that any evil done would be far outweighed by the good. Mr. Rice finally moved that the privilege of buying student activity books be extended to the student body and faculty of the M. C. S. for the duration of the fall quarter only. Seconded by Coach Johnson. Carried.

Coach Johnson volunteered to carry the glad tidings to Mr. Price, Supt. of the Consolidated School, tomorrow. He was, however, instructed by the Committee to tell Mr. Price that any abuses of the privilege would result in its revocation. He was also instructed to ask Mr. Price that some member of the M. C. S. be stationed at the gate for our games in order to identify all of the town students.

The question of working the gates at our football games was the next problem to be considered. Pres. Baird suggested that the south gate be reserved exclusively for student activity tickets and that the north gate handle all regular tickets and passes. The Committee agreed unanimously to this suggestion and directed that it be put into effect Saturday. Pres. Baird said he would make an announcement to that effect in chapel tomorrow.

It was agreed that Fair, Anderson, Mayes, and Jackson would work the gates for the first game, and that Mr. Hogan would handle or see that the sale of tickets was handled.

Mr. Mayes brought up the matter of who was to work the gates. Only five members of the Committee now available for the task--and four are required at each game. When will the members get to see any of the games for themselves? Pres. Baird said he would try to induce some other faculty members to take a turn at the gates, too.

The game with Union University (Tenn.) on October 26 was agreed upon as Homecoming Day. Some members felt that the game with Eastern on November 2 would have been a better choice, but the publicity had already been started and once more Pres. Baird said we must keep faith with the public.

~~Someone,~~  
Coach Johnson, I believe, disclosed that there were a couple of students on the campus who had a public address system and were desirous of renting it for use at our games. It was agreed that Mr. Hogan <sup>would</sup> bargain with the students for the use of the said system.

Mr. Rice moved and Mr. Jackson seconded that Coach Johnson present his bill of \$103.00<sup>+</sup>, incurred while trying to induce various and sundry athletes to cast their lot with Morehead, to the secretary for payment. Carried.

Coach Johnson disclosed that the members of the team would probably be attired in practice clothes for the opening home game. Suits had been ordered some six months but hadn't arrived yet. He disclosed further that when the Navy was here and while he was away in the Navy himself all of the supplies (athletic) which the College had locked up down in the stadium had disappeared. Hence, Morehead's present plight.

Pres. Baird suggested that henceforth all athletic equipment, especially football gear, be stored elsewhere than at the stadium. Mr. Rice thought that it might be possible to fit up a room in the basement of Thompson Hall for that purpose.

*Coach Johnson announced that the projected game with Cornell Tech on October 19 was off.*

It was agreed to sell boxes for the season at \$30.00 per box. Two have been sold or arranged for already.

Pres. Baird as a windup asked Coach Johnson to give him the details of his financial arrangements re athletic contests, which the latter proceeded to do. In the course of the conversation the existence, purpose, and amount of the "special fund" was explained. Pres. Baird approved of it, saying, "I ~~wish~~ we had more special funds around here."

Meeting adjourned at 8:34.

M. S. T. C. Athletic Committee

Place--Comptroller's Office

Time--7:30 P. M., Oct. 28, 1946

Members Present--Fair, Hogan, Jackson, Anderson, Fowler, Mayes, Johnson.  
Dean Lappin also present.

Business

The price of tickets for students from Eastern at next Saturday's Morehead-Eastern game was discussed first. "Turkey" Hughes, Coach at Eastern, had broached the subject to Prof. Fair last Saturday. Said that 4-5 bus loads of Eastern students would come to the game if half prices were given them. Dean Lappin said Pres. O'Donnell of Eastern had taken up the same subject with him over the telephone.

Hogan said reduced rates had not worked well in the past--Eastern students had bought tickets and had sold them to the townspeople of Richmond. This point of view concurred in by all except Dean Lappin and the writer. Dean Lappin declared that we were overlooking one point, viz.: Morehead would be going to Richmond next year and would like a preferred treatment there. In short, Eastern was not getting, or asking something for nothing.

Mr. Anderson moved that the present prices for ~~all~~ adult tickets apply to all Eastern students desiring admission at Saturday's game. Seconded by Jackson. Lot more discussion at this point. Mayes, Hogan, Fair, and Johnson all cited instances when they had been accorded no courtesies when they had gone to Richmond, so, why turn the other cheek to Eastern? Motion carried.

Matter of admitting and seating Eastern's band taken up next. Jackson moved that Eastern's band be admitted to game free. Seconded by Johnson. No discussion. Carried.

Pres. Baird arrived at this time and was informed of all preceding action. Agreed to Q) that had been done, and then the question of Eastern's band was taken up again. Where to seat it was the problem. It was agreed to seat both bands on opposite side (far side) of field if (a) lumber could be found in sufficient quantities to construct a stand, or (b) if the day was fair and enough collapsible chairs could be found. Otherwise the two bands would be seated in the stands.

At this time Prof. Fair said he had not yet sent in eligibility lists to the S. I. A. A. (I believe) because he didn't have any blank forms.

Prof. Fair stated that a lot of trouble had arisen last weekend because of the similarity of colors for both season and game passes. Pres. Baird promised a correction of this error for the next two games.

Prof. Fair then said he wished that he or those working on the gate would not have to make decisions regarding free admissions--those who should have passes but didn't have them. Lot of talk ensued here but nothing done. At last it was dropped and Prof. Fair inquired whether it would be permissible to hire a couple of men to help work the remaining two games. Pres. Baird said such action was agreeable to him and Prof. Fair was empowered to do the hiring.

Prof. Fair again--The middle gate at stadium was found standing wide open even after the game had begun last Saturday. How come? Said he and Hogan had to hunt for wire in order to close it up. Johnson said the contractors who are at present putting up the apartments for G. I's and their wives on the campus were responsible. Was impossible to keep a lock on gate for they had material in stadium and were constantly going and coming. He, (Johnson); however, did agree to see that the gate was locked during the games.

Prof. Fair asked if more traffic officers could not be obtained for the game this weekend. President said he would attend to that.

Fair asked Hogan if Morehead's dues to S. I. A. A. had been paid yet. Hogan asked Fair if he had submitted a requisition for the amount (\$25.00) yet. No.

Prof. Fair then said he thought the Athletic Committee should know how many Athletic Scholarships the college had this year. Said many people had talked to him about it, and he didn't know. Ellis said the number was 45, including basketball. He (Ellis) went on to say that in a meeting held last spring between the presidents, athletic directors, and coaches of the K. I. A. C. Pres. Vaughan had tried to get the member schools to limit their scholarships to 50 per year, but was voted down. Or at least, the State Teachers Colleges were against the proposal.

When should Homecoming be scheduled next year? Ellis said six games had already been scheduled for next season but that no dates had been set as yet. Pres. Baird observed that he would prefer to separate Homecoming and the Eastern game. He wanted a true Homecoming --wanted money and revelry by a bunch of outsiders separated from Homecoming.

Ellis was also asked not to schedule a home game on the E. K. E. A. weekend next year when so many students would be at home, as will be true a week from Saturday when Western is here and E. K. E. A. will be meeting in Ashland.

The problem of student attendance at the football games, which, to put it briefly, is terrible, was taken up. Pres. Baird said he believed most students did not attend the games because they did not understand football--they were in the same category that he was. Without much more ado it was agreed that Ellis would take charge of convocation Thursday and would explain some of the basic formations, plays, and rules of the game to the students.

Prof. Fair--someone needs to be in charge of pressbox. "Snooks" Crutcher announced game last Saturday, but had to contend with a box full of drunks. President said he would get Mr. Bradley to take charge of the pressbox, but if he were not available he would get someone else.

Prof. Fair--ticketsellers need to be on job by 12:30. Hogan objected, saying people would not buy that early. They did not show up until 15-20 minutes before game. It was agreed that signs should be put up indicating the ticket windows.

Hogan moved that \$20.00, later amended to \$25.00 by the President, be advanced to Ellis for current expenses from the "secret fund." He (Ellis) would keep a list of expenditures and when the money was gone would go to the secretary with statements and would receive another \$25.00. Big discussion here. Most of the group agreed that the "secret fund" should be tapped only in case of emergencies.

There was only a little over \$600.00 in it now and if such a plan should prevail, it would soon be dissipated. Hogan finally withdrew motion.

Johnson took up the matter of high school (B.T.S.) dances on the college basketball court. Said he had no objections to a few dances of an outanding nature during the year by the high school students, but he did object to a superfluity of that sort of thing. Pres. Baird declared that henceforth all dates for dances on the College floor must be cleared through Coach Johnson.

Prof. Fair said the cheerleaders had found that their formations worked better if there were five members in the group. Now the rules stated that only four <sup>sweaters awarded</sup> might be cheerleaders in any one year. He saw the possibility of five being eligible for sweaters, but only four being allowed. Could the limit be raised from four to five? Committee decided against it, Prof. Jackson being in the van of the opposition.

Fair opened the meeting with the question, "Do we want to send someone to the annual meeting of the S. I. A. A. which will be held at Jackson, Miss., Dec. 13-14?" Coach Johnson was most emphatic in declaring that someone should attend the meeting from M.S.T.C. One of the big questions to come up there, he said, would be the one concerning the restoration of freshmen rules. Morehead was against that policy because of the huge expense involved in keeping a group of boys a whole year before they were eligible for varsity competition.

Mr. Rice moved that we send a man to the meeting; seconded by Pres. Baird, and carried unanimously.

Ellis said he would be unable to go to the meeting because of the conflict with his basketball schedule. Prof. Fair could go, so he was it.

The problem of prices for admission to basketball games was taken up next. Hogan said he had already seen to the printing of individual and season tickets--that was something that would not admit of delay in this period of shortages. He had also already set a tentative price of \$1.00 for individual tickets and \$12.50 for season tickets, with reserved seats attached to latter tickets. Hogan said several people had been asking about season tickets already.

Rice was very much in favor of the season ticket-reserved seat idea. Thought 100 seats would take care of demands for season tickets. Would reserve the space back of the opposing team for season ticket-holders. Fair interposed that we must take care of our student body first. Finally Rice moved that \$1.00 be charged for individual tickets and \$12.50 for season tickets with reserved seats, said season tickets not to exceed 100 in number. Pres. Baird expressed the hope that the "right" element bought the season tickets, and to effect that end he asked that not too much publicity be given to the project.

Some discussion ensued at this point over the failure of the Breck students to purchase student-activity tickets. It was agreed to run an announcement in the school and county newspapers, informing the students and faculty of the T. S. of their privilege.

Mr. Jackson moved that the rules applying to free admissions, which are found on pp. 63 and 77, apply to the coming basketball season. Seconded by Johnson. No discussion. Carried.

It was agreed that members of the athletic committee would take up tickets at the basketball game as usual.

Ellis announced that--

(a) All basketball games this winter would start at 8:00 sharp.

(b) Morehead would realize \$1,500-\$2,000 from last Saturday's game with Marshall.

(c) he had been contacted by representatives of the Tobacco Bowl re a possible game in Lexington on Dec. 14. Committee, including Pres. Baird, was "quite receptive" to a bid.

(The question of awards to the football boys was taken up, and it was agreed to give the freshman numerals, the sophomores and juniors letters or sweaters, and the seniors gold footballs.)

Pres. Baird said he would like to have a dinner for the football boys, their wives or sweethearts, members of the coaching staff and wives, and Athletic Committeemen and wives. Would have to be given next quarter. Date of Jan 14 tentatively set.

Prof. Fair wanted to know the consensus of the committee re the band at basketball games. During the war when attendance was low the band was wanted in order to boost attendance. Lately, though, he had heard contrary opinions being voiced. So, what was desired? Ellis suggested that Prof. Fair talk with Prof. Thoman, band director. As for him, he felt that a pep band, and not a full size one, would be sufficient for our games. He also suggested that the band be taken to Louisville sometime during the season when Morehead was playing there as a reward for their work during the football and basketball seasons.

At this time Ellis, in reply to a query, stated that the first home game would be on the night of Nov. 28--Thanksgiving. Fair and Fowler to take up tickets that night. Game will be with Southern Baptist Theological Seminary of L'ville.

Ellis also told the committee of a pre-Christmas basketball excursion into the Midwest, leaving here on Dec. 13 and winding up in L'ville on Dec. 20. Boys will then go home for Dec. 21-23. Come back on Dec. 24 to get ready for game with Arizona U. at L'ville on Dec. 27.

Pass-out checks for games discussed. Committee has been cutting up old schedule cards and using them. Was felt that they were inadequate. It was agreed that Hogan would see about having some printed--to be in at least six colors and about 500 to a color.

In talking over the matter of season tickets again after Pres. Baird left (had to catch a bus) the committee felt that publicity would be absolutely necessary if 100 season tickets were to be disposed of. Finally Hogan was authorized to see Crutcher, editor of Rowan County News, about announcing the sale of the tickets in the next issue of the paper.

Quite a bit of discussion tonight about people getting into basketball games from entrances below the playing floor; also about people traipsing downstairs through the players' quarters between halves. It was agreed that Mr. Rice would station some of his men at strategic locations in order to break up both of these nuisances.

In the final bit of discussion the secretary brought up the problem of working the gate and its present drawbacks. Single entrance used at present with one man on each side. Works fine until a rush period arrives. Then each man is so busy on each side that it is possible for people to slip through the center--and that has actually happened. It was agreed that henceforth only one of the two doors at each of the two entrances would be opened with one man handling each. Townspeople would use one entrance, and the students, with books to be purchased, would use the other.

Place--M. S. T. C. Cafeteria

Time--8:00 P. M., Dec. 2, 1946

Members Present--Fair, Mayes, Fowler, Anderson, Jackson, and Baird

Business

The big item for consideration tonight was the projected use of the College Gym by Morehead H. S. for its basketball games. It seems that Ralph Mussman during his short career as M. H. S. coach had received permission from Coach Johnson to play three games on the college floor. This was done last summer and the Athletic Committee was not consulted. Mussman then left M. H. S., but his successor, "Shorty" Wiggins went ahead and scheduled the three games for the College Gym. Had also publicized them far and wide. The big question, then, was whether we ought to allow the games to be played on our floor.

The Committee was in favor of allowing the three games (on Dec. 3, 6, and 7) to be played on our floor, but with the proviso that in the future all games by outsiders on the college floor be cleared through the Athletic Committee.

Mr. Jackson moved that M. H. S. be charged \$15.00 for the use of the Gym at each of the three games. Seconded by Anderson. Carried. It was agreed by all that the sum charged was a very reasonable one. Mr. Fair was asked to communicate the decision of the Committee to M. H. S. officials. He was also to tell the Public School officials that they would be held responsible for the protection of the College property while they were using our Gym.

Prof. Fair disclosed that some boys were kicking out windows alongside the girls' dressing room and were entering by that place and method. Pres. Baird denounced such a practice and asked that a watchman be hired for each game to see that such conduct was not repeated. He also asked that Breck and M.H.S. supply a watchman for the windows when their teams were playing in the Gym.

Prof. Fair stated that he, Van Antwerp, Rice, and Johnson had met in the latter's office sometime ago and had agreed to allow patrons to take bottles of pop inside Gym with them at games. Johnson had been particularly in favor of that practice, and it was given a trial at the first game last Thursday night. Fair said the bottles made a mess. Fair admitted that he had not called the Committee to consider this problem and wanted to know what should be done now. The Committee was decidedly against the practice of allowing bottles to be taken inside. The Committee agreed that henceforth pop should be sold only in paper cups, and Fair was asked to inform all interested parties of that decision.

Presiding--Prof. Fair

Members Present--Fair, Jackson, Hogan, Mays, Fowler, Anderson, Johnson, Rice, and Pres. Baird.

Business

Prof. Fair opened the session by asking whether we were going to allow the Public School to play any more games on the College floor. Morehead High has four home games left. Pres. Baird moved that M.H.S. be allowed to play those games on the College floor, provided that the dates of those contests are cleared through the Social Committee and that the Public School pay the College a fee of \$15.00 for each contest. Seconded by the coach. Coach Johnson said that the practice this winter of allowing the Public School to play on the College floor had done more to further good relations between the town and College than any other thing which had happened during his tenure here. Pres. Baird and Rice were even in favor of allowing the use of the floor to out-of-the-county teams such as Olive Hill. Prof. Anderson opposed the action because he felt that an undesirable element and bad consequences would be the ultimate result of such a practice. Motion carried in end, however.

Fair brought up the question of leaving all the practice equipment for football down in the stadium. The secretary disclosed that he had been down there recently and had discovered that the whole stock could be rifled very easily. Ellis admitted all of this to be true, but said he had no other place for the equipment. The President recalled that we had agreed in a prior meeting to have the equipment stored in the basement of Thompson Hall. Honie's memory became very, very bad at this point and Johnson's was quite foggy, too. The president cut short any discussion of what had not been done by directing that the equipment be moved on the morrow to Thompson Hall.

The Committee proceeded to go crazy at this point. Three different items were taken up at the same time by three different people and as a result I got the gist of only one. That concerned the ever-thorny problem of selling pop at games. Ellis said he had ordered 2,400 paper cups through Parnell Martindale but to date has secured no delivery on them.

Hogan said he had been questioned by some townspeople regarding the purchase of student activity tickets by public school students for basketball games. The president said that this privilege was good only during the football season--was inadvisable to apply it during the basketball season because of the limited seating capacity of the gym. Ellis said he had misunderstood the decision of the Athletic Committee--said he had been telling people that this privilege was good for basketball too. The secretary was asked to read that portion of the Oct. 9

minutes which pertained to this question. After this was done, a hot discussion ensued. Rice and Johnson were all for extending the privilege to basketball games while Anderson, Mays, and the President were opposed. The argument of the latter group was that we must take care of our own student body first. Finally Ellis moved that Principal Price of M. C. S. be notified in sufficient time and then upon a specified day a representative of the College be sent to the Public School with student activity tickets which would be sold at \$1.00 to all the faculty and student body that were interested. Seconded by president. Carried 5-4. Was specified that there would be one sale of tickets and only one. President asked that Fair handle the sale of tickets.

Coach Johnson asked approval and payment of a bill for \$15.00 to pay for an electrocardiograph which he had made of one of his boys, Jack Helley, in Louisville recently. The president moved the payment of the bill. Seconded by Jackson. Carried.

Johnson said he needed around \$3.00 apiece for nine of his boys who were not G. I.'s in order to enable them to pay certain incidental registration expenses. Requested that the money be advanced to him now from the "secret fund" and he would repay in March at the conclusion of the basketball season from the proceeds of his basketball programs. Jackson moved that the money be advanced; seconded by Rice. Carried.

Ellis spoke briefly regarding the coming K. I. A. C. tournament in Louisville. Said the College had cleared some \$500.00 last year when Tarpley had managed, but stood to gain even more this year because the colleges were handling it themselves. The president wondered whether this money or a portion of it couldn't be turned into the "secret fund." Said he would do a bit of scouting around. Didn't believe that the other State Teachers Colleges were putting this money into their general college funds.

Prof. Fair made a brief talk regarding his trip to the S.I.A.A. annual meeting, held in Jackson, Miss.

1. Jacksonville State Teachers dropped--non-payment of dues.
2. Centenary College admitted to membership.
3. S.I.A. A. basketball tourney to be held at western (Bowling Green) this year but in future any school might hold it which could handle it. was thought that it gave too much advantage to western to hold the tourney on its floor year after year.
4. Henceforth dues must be paid before annual meeting if school is to be allowed to vote.
5. Annual meeting next year to be on Dec. 30-31, and probably at Miami.
6. The playing of junior colleges by members of the S.I.A.A. was discouraged. to
7. Freshman rule not/be re-established before Sept. 1, 1948, at least.
8. Prof. Fair made vice-president of the 4th District!! congratulations were freely showered on the modest hero.

9. The suspension of Morehead from the Southern Association at Memphis carried no weight whatsoever with the S.I.A.A.

Committee broke up at 8:00 sharp in order that some members could see the Breck-Male game. As for me it merely meant another one and one-quarter hours to write up this d--d stuff! Too tired and sleepy to go very fast.

M. S. T. C. Athletic Committee

Place --Pres. Baird's Office.

Time--10:00 A. M., July 21, 1947.

Presiding--Pres. Baird.

Present--Fair, Rice, Fowler, Jackson, Johnson, Anderson, Mays, Hogan , Baird.

Business

The prexy had written a letter to all members of the Athletic Committee on July 16. This letter contained some two pages of questions relating to the powers of the Committee. In the meeting today each of those questions was to be discussed and settled.

I. Finances

1. "To what extent is the Committee responsible for finances?"

Finance in this case was interpreted to mean receipts from athletic contests. Prof. Anderson, I believe, stated that he thought that was a matter for the Comptroller to handle and not one for the Committee. Mr. Hogan said that as a general principle all income was supposed to be turned over to the State Treasury at Frankfort. At this point someone brought up the question of the proceeds from the district and regional basketball tournaments held in the College gym. Was it legal for the College to keep those funds. Was finally agreed that a "fair rent" for the use of the gym should be turned over to Frankfort and the rest put into the secret fund, there to be handled by the Committee.

It was agreed that \$15.00 would be a fair rent for the use of the gym at a single session. In the future then \$15.00 for each session would be deducted from the College's share of the proceeds and the rest would be turned over to the secret fund. Ellis objected strenuously. Declared that other organizations didn't pay for the use of the gym--why then should the Athletic Department be penalized? The group after much wrangling finally agreed that whenever a purely outside organization used the gym we would charge a rental--otherwise no.

Prof. Anderson objected to the \$15.00 fee for the use of the gym--too low.

2. "Should it set prices for admission to games?"

Yes. Some time was taken up, however, when Prof. Mays asked whether this Committee should approve the Athletic budget. Pres. Baird said it would be unwise to depart from the common procedure whereby each Department is expected to turn in its budget for the year to the Administration. The Athletic Committeemight, and probably should, be consulted, but its word was not final.

3. "Should it control money derived from tournaments?"

Yes,

4. "Should it control concessions at games?"

Yes.

5. "Should the Committee, in any way, be responsible for the scouting of players in games?"

No.

II. Schedules. "Is it the function of the Athletic Committee to arrange schedules or approve schedules before they become official?"

The consensus was that the Committee should approve but should not make schedules. Also agreed that no schedules are to be published in the future without the approval of the Committee. The president suggested that a small committee be set up whose duty it would be to scrutinize and pass on individual contracts.

III. Eligibility

1. "Is the Athletic Committee responsible for seeing that all athletes are eligible before participating in any games?"

2. "Should the Athletic Committee insist on having eligibility determined and properly signed for all players and same reported as eligible before any athlete is permitted to participate in any game?"

Both of these questions were ultimately answered in the positive, but not until after much discussion. Prof. Fair, Chairman of the Committee, brought up the whole problem of the Committee-Coaching staff relations and flatly declared that he had received very little cooperation from Coach (Ellis) in all matters pertaining to eligibility. Ellis admitted that he had not come up to snuff on occasions, but in the good old armed service fashion he refused to let the blame rest on his shoulders. Said he had not turned over the requisite data to Fair regarding his athletes most of the time because his boys didn't have the proper credentials from their high schools. The president poured some oil on the troubled waters here by a statement that no one would be enrolled at the college this fall who did not possess the requisite credentials. There could, hence, be no excuse on the part of the Coach.

It was decided that it would be the direct responsibility of the Chairman to see that the two questions or provisions pertaining to eligibility were carried out unless a serious problem developed.

IV. Advertising

1. "Is ~~ix~~ the Committee responsible for selecting or approving an athletic publicity director?"

As far as I can remember nothing was definitely decided here. There was a suggestion to the effect that the coach and prexy do the selecting. The Coach said it would be very hard to find anyone to fill the post next year which "Red" Moore has held down so ably for four years. He disclosed that "Red's" compensation was his room rent--I believe that was all. "Red" was not to receive a sweater.

2. "Should the Athletic Committee check upon the work done by this publicity director to see that he is earning the money being paid for same?"

No.

3. "Should the Athletic Committee be responsible for getting out all advertising material for games?"

No. Publicity director's work.

V. Facilities. "To what extent is the Athletic Committee concerned with the use of the athletic facilities by outside agencies?"

No official concern of the Committee. The prexy would like, however, to have advice at all times.

VI. Physical Duties. "Is the Athletic Committee responsible for selling tickets, taking up tickets, and being gatekeepers at all athletic events?"

Lot of argument here. The whole unsavory business of taking up tickets at the basketball games of last winter was gone into, especially by Prof. Anderson and the writer. Anderson wanted to vest this whole responsibility in the future in the Comptroller's office, but other members of the Committee, including the Comptroller, dissented. Was finally agreed that it was the general responsibility of the Athletic Committee to see that the physical duties were performed in an effective fashion, but that it was not necessarily the individual responsibility of the members of the Committee.

#### VII. Subsidizing

1. "What should be the relationship of the Athletic Committee to outside organizations, such as the Booster's Club, Board of Trade, or any other organizations that wish to subsidize or make contributions to the Athletic Program?"

No official relations whatsoever.

2. "Should the Athletic Committee approve the expenditures of any funds received from outside organizations?"

The Committee should administer funds only when and if they have completely passed from the hands of the donors into the secret fund.

Meeting broke up here. Been in session for two solid hours! Not through yet, either. Have to come back tomorrow eve at 4:00 for another session.

*Nolan Fowler, Secy*

M. S. T. C. Athletic Committee

Place--President Baird's Office.

Time--4:00 P. M., July 22, 1947.

Presiding--Pres. Baird at first, and then Prof. Fair.

Present--Rice, Johnson, Jackson, Anderson, Fair, Fowler, Mays, Hogan, Baird.

Business

The Committee, with the prexy presiding, continued its discussions on the powers of the Athletic Committee from the point where they were terminated yesterday.

VIII. Passes

1. "Is it the responsibility of the Athletic Committee to determine the number of free passes that are issued to various games?"
2. "Should the Athletic Committee discontinue the giving of any passes to anyone?"

The problem of passes is and has been a ticklish one so that a lot of ideas, good and otherwise, were given wing here. Out of all the discussion came the following:

(a) Mr. Anderson moved that the Director of Public Relations henceforth assume responsibility for issuing complimentary tickets, said tickets to be issued in accordance with plans already drawn up by the Athletic Committee. Seconded by Johnson. Carried.

(b) Mr. Hogan moved that the term "immediate family" be henceforth interpreted to include only husband, wife, or dependent children. I failed to get the second. Carried unanimously. This problem has been a particularly hard one, arising as it does in connection with the sale of activity tickets.

(c) Prof. Anderson moved and Mr. Hogan seconded that everyone who attends our athletic contests, with the exception of officers of the law in uniform and cheerleaders and members of the opposing team, be required to present a ticket of some kind for admittance. Carried. Pres. Baird was particularly insistent upon this measure.

(The secretary ventures his opinion that the immediate foregoing measure will be honored more in the breach than in the observance thereof in certain quarters.)

Having disposed of the major problem of the powers of the Athletic Committee at long last, Pres. Baird at this point relinquished the Chair to Prof. Fair. The latter in turn requested that Coach Johnson speak his piece. The latter responded by handing out copies of the proposed fall football schedule and asking the Committee's approval thereof.

All of the games on the schedule are to be night affairs with the exception of the Otterbein tilt. All home games to start at 7:30.

The Committee agreed that the Georgetown game would be the Homecoming Game. Murray game too early.

Prof. Fair wanted to know why we were quitting football so early in November--said it seemed we should have a game on Thanksgiving. Ellis said that his small squad and limited equipment made an early closing date advisable. Also said that we were in step with the other schools in Kentucky--they were closing about the same time as we were.

Pres. Baird thought the guarantee to Georgetown was too high--and some of the rest of us agreed. Don't recall Ellis' rebuttal, but it was effective. Prof Jackson moved the approval of the schedule. Seconded by Rice. Carried.

Mr. Rice moved that the price for admissions to all football games be \$1.50 for all individuals except babes in arms. Seconded by Fair. Carried.

Prof. Mayes asked whether we should again extend the privilege of purchasing student activity tickets to the teachers and students of the Morehead Consolidated School. A lot of talk here, but no definite measures adopted.

Ellis said he almost had the basketball schedule completed for the coming season. Would be 21 games, a reduction from last year. Four games, I believe he said, would be played in the Armory at Louisville.

Meeting broke up around 6:00. Whew!

*John J. Under, secy*

M. S. T. C. Athletic Committee

Place--Comptroller's Office.

Time--7:15 P. M., Sept. 30, 1947.

Presiding--Prof. L. A. Fair.

Members Present --Fair, Fowler, Hogan, Mays, Anderson, Johnson, Rice.

Business

The secretary asked that he be allowed to withdraw from the Athletic Committee. He had seen the President previously and the latter had voiced approval of the move, provided the Committee agreed. The committee tonight refused to take any action on the case, saying that the President should handle it as he saw fit.

The multitudinous problems associated with working the gate occupied most of the Committee's attention tonight.

The Comptroller, Mr. Hogan, revealed at the outset that he had authorized the printing of tickets for the box seats at the football games in response to a demand for such tickets. Cost of each would be \$2.10 per seat per game. No season tickets were printed this year, save the student activity books.

Prof. Jackson moved that the privilege of purchasing student activity tickets for this quarter be extended to the teachers and students of the Morehead Consolidated School. Seconded by Johnson. Carried.

Coach Johnson then moved that the same privilege be extended to the same faculty and students for the duration of the winter quarter (basketball season). Rice seconded. Carried.

Quite a bit of talk before these measures were agreed to. Some of the members felt, and no doubt rightly so, that the books would find their way into the hands of outsiders. Hogan said that the number of every book and the name of every recipient was filed in his office. He, therefore, requested that when any of the members at the gates detected a misuse of the books, the numbers of the said books were to be taken and turned over to his office. He in turn would see that the student(s) involved would lose his (their) book(s).

At the last meeting of the Committee (in July) it was agreed that everyone who entered the gate, save officers in uniform and the cheerleaders and players of the two contending schools, should present a ticket of some kind. The big question before the Committee tonight was whether this ruling applied to the members of the Committee and to the members of their families who hitherto have been recognized at the gate and allowed to enter with no more ado. The members of the Committee and their families could easily be given complimentary tickets, but there was a ten cents (.10) tax on each. Now, who was going to pay that tax? Everyone seemed to be "agin" paying it, not because of the money involved but "because of the principle of the thing." The discussion became a virtual

uproar and varied and many were the schemes advanced to circumvent the tax. One after another they were cast aside. All looked dark until the Coach made a 90-yard run. With lightning suddenness he asked Hogan whether taxes had to be paid on the student activity books. No--said a bit reluctantly. Instantly Johnson moved that each member of the Committee inform Hogan of the members in his immediate family and that they be issued student activity books. Everyone seconded the proposal-- first time I've ever seen that done. Carried with a roar. "It's not the money; it's the principle of the thing."

*firsted goes.*  
The Committee agreed that everybody should go through the center gate. Both end gates to be locked. It was further agreed that there would be no passout checks given at football games.

Mr. Hogan disclosed that everyone who received a complimentary ticket was required to pay the tax (25¢) when he received the ticket. All of that was being handled through Mr. Wicker's office.

Mr. Rice moved that Mrs. Len Miller and son, Mike, be given box seats for the entire season. Mays seconded. Carried. Seats would be in boxes M or N.

Agreed that the members of the Committee would take turns at working gate. Gates to pen at 6:00 for each game, with games starting at 7:30.

Mr. Jackson moved that Sup't Rice be empowered to secure the guards requisite to patrol fences around football field for each game. Johnson seconded. Carried.

The Coach disclosed that concessions were all taken care of for the first game.

Executive Committee of S. I. A. A. to meet at Birmingham this weekend. Fair to attend.

Coach Johnson took floor "for a spell." In reply to a question, he said that his athletes got room, board, and tuition. G. I.'s don't get tuition. All other expenses taken care of by boys themselves. He, however, had endeavored all along to take care of the extra registration fees of the boys from the proceeds of his game concessions and programs. Said his programs would just about clear \$150.00 this fall--enough to handle the extra expenses.

At this point Johnson turned over a check of \$129.00 to the secretary for depositing in the "Secret Fund." It represented the unspent portion of the College's share of the regional high school basketball tournament held on our court last March. The College's original share was \$200.00, but the Coach had spent \$79.00 as follows:

\$37.00 to dentist for teeth lost by Dickie Scroggins in basketball game.

\$28.00 for two Christmas Day meals for all of his basketball boys last year.

\$6.00 for an X-Ray.

Ellis told the Committee that the College's share of last week's game with Marshall would be around \$2,000.00.

Mr. Rice informed the group that the band director, Mr. Thoman, needed more platform in order to seat his band across the field from the stands. Band had been seated in stands in past--hadn't been a very satisfactory arrangement. Would cost \$50.00-\$75.00. Mays moved that the stand be built; Johnson seconded; carried.

Prof. Fair asked that cars on the the field be held to a minimum--didn't want a repetition of the Horse Show.

Ellis Johnson brought up question of an Athletic Publicity man. "Red" Moore who had handled it for three or four years was now gone. While here he had got the equivalent of \$23.00 per week. Ellis said Marvin Wilson, Jr., had been doing the work for him recently and had been doing a good job. He was willing to continue the work for \$15.00 per week. The Committee recommended that he be hired for that sum.

The Athletic Committee met at the home of President Wm. Jesse Baird on November 11, 1947. The meeting was called to order by the Chairman, L. A. Fair. The following members were present: Anderson, Fair, Mays, Baird, Jackson, and Johnson. Three members of the Morehead Board of Trade were also present; namely, Garland Collins, President; Curt Bruce, and Harry Goldberg. The three members were invited to the Meeting by President Baird.

Prior to the regular business meeting of the Committee, each of the three members of the Morehead Board of Trade was given an opportunity to express himself relative to the policies of the College in respect to its Athletic Program, especially football. All of the representatives participated in the discussion, but, in the main, Harry Goldberg presented the points about which the members of the Board of Trade were primarily concerned. A brief summary follows:

The Morehead Board of Trade was

1. disappointed over the results shown by gate receipts of football games.
2. of the opinion that the College was not promoting its football program in accordance with good advertising principles, and, as a result, was not getting its quota of students.
3. of the opinion that the price of admission was entirely too high, and that tickets for children should be provided at a lower price than for adults.
4. of the opinion that children from 1 to 6 should be admitted free; children up to 15 should be charged 50 to 60 cents; and that adults should not be charged more than \$1.00. Too, that the privilege of buying student activity tickets did not solve the problem relating to children.
5. of the opinion that prices charged for admission to basketball games were satisfactory.

During the discussion, President Baird stated that it had not been the aim of the College to take care of outside groups through the medium of the student activity ticket, but that it had been the aim of the College to provide for children in the Morehead School System. He also verified the fact that the games had been promoted by the College, and that gate receipts were probably lower than had been expected because of the success of the team as compared to teams in previous years. In regard to enrollment, President Baird believed that it was a direct result of the action of the Southern Association of Colleges and Secondary Schools, rather than the promotion of the football program.

The Regular Business Meeting of the Athletic Committee was held after the joint meeting of the Committee and the Morehead Board of Trade. The three members of the Board of Trade were not present at this Meeting.

#### Questions Discussed

1. Letters and sweaters for football players.
2. Basketball schedule for the school year 1947-1948.
3. Transfer of residence of athletes.
4. Responsibility of members of Athletic Committee to take up tickets at games.
5. Advertising through the medium of inviting the senior class of one high school to each basketball game.

Motions

2. That the following recommendation concerning letters and sweaters be adopted. Introduced by Baird; seconded by Mays; and carried unanimously.

RECOMMENDATION

- a. That each Freshman player receive a sweater during his Freshman year if he earns one.
  - b. That the Sophomore year be passed.
  - c. That each player be eligible for another sweater during his Junior year.
  - d. That a small gold football be given to each eligible player during his Senior year.
3. That President Baird be permitted to invite the seniors from one high school for each basketball game. Introduced by Mays; seconded by Coach Johnson; carried unanimously.

4. That the following prices prevail for basketball for the 1947-1948 season:

- a. General admission tickets, good for balcony and first floor, \$1.00
- b. Student tickets for any child or person of either grade or high school age, good for balcony only .50
- c. Any child under school age, if accompanied by parent, Free

Introduced by Coach Johnson; seconded by Baird. Vote: "Yes," Jackson, Coach Johnson, Hogan, and Baird; "No," Anderson, Fair, and Mays.

Some of the members voting "No" to the above motion were in favor of having both types of tickets, but were of the opinion that the two groups should not be segregated.

The Meeting adjourned at approximately 9:00.

Signed,

  
Secretary

  
Chairman

The Athletic Committee convened in Dean Lappin's office on February 19, 1948. The meeting was called to order by the Chairman, Mr. Fair. The following members were present: Fair, Mays, Jackson, Rice, Baird, Anderson, Lappin, and Hogan.

#### QUESTIONS BEFORE THE COMMITTEE

Complimentary Tickets. Mr. Hogan presented a list of the people who had received complimentary tickets for the home basketball games. An examination of the list revealed that a large number of the individuals who were issued tickets were ineligible for the consideration, which probably indicated that the rules relating to the issue of such tickets had not been kept in mind at the time the tickets were issued. It was the opinion of the Committee that a more satisfactory plan of issue should be used for the 1948-1949 games. Schedule 1 gives a complete history of all tickets issued for basketball games during the 1947-1948 period. It also shows a list of the persons purchasing activity tickets during the first quarter of 1947-1948.

Baseball. Coach Johnson announced that Morehead would have a baseball team during 1947-1948, and that 14 games would be played--7 at home and 7 away from home. The details relating to the schedule of games were left to the discretion of the Coach.

New Conference, KMAC. Coach Johnson stated that plans were well under way to form a new conference composed of Morehead, Western, Murray, Eastern, University of Louisville, and Evansville. It was emphasized, however, that Morehead would remain in the SIAA until the organization of the new conference is completed.

High School Tournament. The Committee agreed that an invitation should be extended to high schools in this section to hold their tournament at Morehead, and that the Comptroller of the College should handle the finances of the tournament.

1948-1949 Football Schedule. The 1948-1949 schedule was approved by a motion that passed unanimously. The Committee believed that all games should be played at night and on Saturdays.

1948-1949 Basketball Schedule. Coach Johnson said that Morehead would not play any games in the Armory at Louisville. The Committee approved a motion which established 20 basketball games as the maximum for the 1948-1949 schedule. The Coach stated that 9 games would be played at home and 11 away from home.

#### MOTIONS

1. That Mr. Hogan handle finances of the high school tournament.

Introduced by Baird; seconded by Jackson; carried unanimously.

2. That the following 1948-1949 football schedule be approved.

Introduced by Baird; seconded by Jackson; carried unanimously.

X-Country meet.

3. Been a member of the squad (seven men) which captured the Annual O. V. C. X-Country meet.
4. Placed in the first twenty runners at the Annual Showork A. C. run in Louisville, Kentucky. (This run is an A. A. U. affair, open alike to high school, college, and non-affiliated athletes not only of Kentucky but from all of the surrounding states. The usual number in this run is over 100 athletes.)

If these regulations are agreed to, I propose further that they be made retroactive to the season of 1952, and that Chester Greene, by virtue of his accomplishments during that period, be honored by being awarded the first letter in cross country in the history of the college.

Sincerely,

Nolan Fowler, Instructor  
in Track and Cross Country

## 7. Women's Recreation Association--Letter from Miss Avent.

Motion: Laughlin-Lappin. That the request in the following letter be granted. Passed.

November 18, 1953

(COPY)

Mr. L. A. Fair  
Athletic Committee  
Morehead State College  
Morehead, Kentucky

Dear Mr. Fair:

Would you kindly bring the following proposal before the Athletic Committee for its approval?

The Women's Recreation Association, which is undergoing reorganization, wishes to go on a point system. A member who earns 100 points would receive a letter. It is estimated that two years would be required to earn that number of points. Our monograms would be distinguished from those of other athletes or cheerleaders by the letters "WRA" inset. Those members who earn 200 points would receive a pin. This number of points would take approximately four years to earn.

The organization does not wish the funds for purchasing these items. We merely want approval of the Athletic Committee in awarding them.

Yours very truly,

(Miss) Henrietta H. Avent, Sponsor  
Women's Recreation Association

Dinner: 1 meat, 2 vegetables, salad or juice, 2 bottles milk,  
dessert, 2 slices bread

Members of the Athletic Committee  
Morehead State College  
Morehead, Kentucky

Gentlemen:

I propose that the following set of regulations be adopted by the Athletic Committee for the purpose of awarding letters (minor) in the sport of cross country running at Morehead State College:

- A. The candidate for a letter must have been a member of the squad throughout the season, unless he has been incapacitated by reason of an injury. (This is to prevent some gifted athlete from appearing in a meet or two--until he qualifies for a letter--and then dropping out.)
- B. The candidate for a letter must have accomplished at least one of the following feats during the season:
  1. Placed among the first five runners in a dual or a triangular meet.
  2. Placed among the first ten runners in the Annual O. V. C.

Motions

1. Johnson and Rice--That Bill Tom Wells be dropped from the scholarship list and billed for all fees for the second semester. Passed.

The Athletic Committee met in President Spain's office on March 16, 1953.  
Present: Anderson, Lappin, Spain, Fair, Laughlin, Wicker, Hogan, Johnson, Mays, Rice, and Fair. Invited: Stokes. Time: 2:30 p. m.

Questions Before Committee

1. Sweaters for athletes. Sweaters received by Collis were not in accordance with specifications. Specifications called for a 100% wool content. Those shipped were marked 52% wool and 48% cotton. Action was postponed until receipt of invoices.
2. Awarding of letters to basketball players.
3. Hi-Y group visit to the Campus during the fall of 1953. Group interested in tour of Campus, facilities for lunch, and football game. Committee authorized Chairman to invite group to visit Campus on October 3. It was agreed that the members of the group would be the guests of the College at the football game.
4. Home football games--Sept. 17 or 18--University of Ky. B. Team; October 3--Tennessee Tech.; October 17--Middle Tennessee; October 31--Murray State. The Middle Tennessee game on October 17 was designated as the Homecoming game. All home games, with the exception of the University of Kentucky B. Team game, were scheduled in the afternoon at 2:00 p. m.
5. Instructions to delegate to Ohio Valley Conference. Delegate instructed to vote for Memphis State and East Tennessee. Committee was not in favor of admitting Memphis State without East Tennessee.

The Athletic Committee met in President Spain's office on April 13, 1953, at 3 p.m. Members present: Anderson, Spain, Rice, Johnson, Laughlin, Hogan, Fair. Fair, chairman, presided at the meeting.

Questions Before the Committee

1. Grade standing of Don Smith. Standing was satisfactory.
2. Grade standing of Clarence Payne. Standing was unsatisfactory. Mr. Payne will probably have to attend summer school in order to be eligible for the 1953-54 school year.
3. Grade standing of James Edward Gose. Standing was unsatisfactory. Mr. Gose will have to take a correspondence course during the summer or enroll in summer school in order to be eligible for the school year 1953-54.
4. Scholarship for Bill Tom Wells. Mr. Wells was dropped from scholarship and billed for all fees for the second semester. Coach Johnson indicated that he was not participating in the athletic program.
5. Grade standing of Ronald V. Short. Standing was unsatisfactory. He was permitted, however, to continue on the scholarship list for the remainder of the semester.
6. Policy on feeding athletes during official vacations. Policy: That meals shall not be provided during official vacations for any athlete who lives three hundred miles or less from the college.

The Athletic Committee met in the Office of Dean W. C. Lappin, January 30, 1953, at 1:00 p. m. Members present: Spain, Fair, Johnson, Rice, Laughlin, Wicker, Mays, Lappin, and Hogan. Invited guests: Stokes and Radjunas.

A list of the grade standings of all athletes for the first semester was presented by Mr. Fair. Gardner Bates was the first case discussed as he had a grade standing of .78 and an overall standing of less than 1 which did not permit him to take practice teaching. The conduct of Bates in the cafeteria was questioned and Mrs. Kozee was called before the Committee. A motion was made by Mr. Lappin that Mr. Bates be left off the scholarship list. This motion was seconded by Mr. Johnson and all voted aye.

Mr. Clarence Payne was next considered. He had a standing of .77 and made  $5\frac{1}{2}$  hours during the first semester. On a motion by Mr. Rice, seconded by Mr. Laughlin that Mr. Payne be continued on scholarship until mid-semester. All members voted aye.

On the recommendation of the Coach, Bill Dunkle's scholarship was changed to include fees and room only, and Roy Walton was dropped from the scholarship list. All members voted aye.

Don Smith, whose standing was .28, make  $10\frac{1}{2}$  hours. On a motion by Mr. Wicker, seconded by Mr. Laughlin, this scholarship was to be continued until mid-term. All members voted aye.

On a motion by Mr. Wicker, seconded by Mr. Laughlin, Bill Tom Well's scholarship was changed to cover fees only. All members voted aye.

On a motion by Mr. Wicker, seconded by Mr. Rice, the following scholarships were added: Duff, basketball; two men from Norton, Virginia, in football; Pete Dryer, football, Jeffersonville; Redmond from a part scholarship to a full-time scholarship for the second semester; on a part-time scholarship, Bill Wellman, Harold Rose and Ronnie Short. All members voted aye.

On a motion by Mr. Lappin, seconded by Mr. Rice, for a game to be played during E. K. E. A. with Stetson with a guarantee of \$1,800.00. All members voted aye.

The Committee met in Dean Lappin's office on February 2, 1953, in a called meeting. Present: Wicker, Spain, Lappin, Anderson, Hogan, Mays, and Laughlin, and Fair.

#### Questions Before Committee

1. Review of the case of Gardner Bates who was dropped from the list of full-time athletic scholarships because of alleged intoxication in the College Cafeteria on Registration Day. On the basis of additional, favorable evidence, Bates was reinstated on the full-time scholarship list.
2. Review of the case of Roy Walton who was dropped as a full-time scholarship student on the recommendation of Coach Johnson. Walton was reinstated, but was given a part-time scholarship instead of a full-time scholarship.
3. Full-time scholarship for Dan Swartz. Scholarship was approved by Committee.

2. That Morehead State College purchase blankets from Chattin and Caldwell, Ashland, Kentucky, at the following current price. Introduced by Johnson; seconded by Wicker; passed.

(a) Blankets--60" x 72", 100% wool-----\$12.85

3. That cheerleaders be permitted to select white sweaters. Introduced by Johnson; seconded by Wicker; passed.
4. That \$12 be set as the maximum amount to be spent for each emblem--basketball or football, and that the emblem be 10K. gold with raised blue enamel "M" and date. Introduced by Hogan; seconded by Wicker; passed.

The Athletic Committee met in Dean Lappin's office on November 12, 1952. Members present: Anderson, Spain, Mays, Johnson, Rice, Fair, Lappin, Hogan, MacMillian, and Laughlin.

#### Questions Before Committee

1. Dues of \$20, Morehead State College, National Association of Intercollegiate Athletics. Approved by committee.
2. Vote for Memphis State College, Memphis, Tennessee, and Centenary College, Shreveport, Louisiana, membership in National Collegiate Athletic Association. Committee authorized vote for each college.
3. Performance of College Band at basketball games. Committee agreed that it was unnecessary for band to play at games.
4. Passes for editors of county papers in Eastern Kentucky. Committee suggested that the Director of Public Relations write letters to editors offering tickets in the event of attendance.
5. Standing room at basketball games. Committee agreed that same price should prevail for standing room as for seats.
6. Fall meeting of O.V.C.--letter from Murray State College, Kentucky, concerning three points; namely, (1) scholarships; (2) veterans; and (3) junior college transfers. Committee authorized delegate to vote against any change in scholarships and against each of proposals (2) and (3).  
Proposals follow:

- (a) scholarships--"After months of consideration, do we feel that it is wise to reduce football scholarships drastically as was indicated last spring? Here at Murray we definitely feel that this would be a mistake."
- (b) veterans--"A student who has served in the armed forces for such a period as would entitle him to G. I. benefits may enter a school of his choice after separation from the armed forces and be immediately eligible for varsity competition regardless of where he might have been matriculated previous to his induction to the armed services or regardless of his previous participation in sports in the school previously attended. Exception: If he were previously matriculated in any college which is a member of the Ohio Valley Conference, he must secure a written release from the Athletic Director of that institution which is a member of the Ohio Valley Conference. It is further provided that his competition in any sport be limited to four seasons."
- (c) junior college transfers--"Transfer students from a Junior College shall be immediately eligible provided he has fulfilled the academic requirements of the Ohio Valley Conference and is entitled to only four years of competition in total."
7. Ushers at basketball games--Business office authorized to employ five and pay each \$1 per game.
8. Policemen at basketball games. Was opinion of committee that city policemen would take care of games at no cost to college. Laughlin was to contact Police Department of the city of Morehead.
9. Football awards--lettermen of 1952. Awards approved.
10. Basketball game with Centre College. Approved.
11. Athletic scholarships for the remainder of school year, 1952-53 approved.

#### Motions

1. Johnson and Mays. That the college pay dues of \$20 to the National Association of Intercollegiate Athletics. Passed.
2. Wicker and Rice. That we carry on present policy of junior college transfers rather than policy No. 3 proposed in Murray letter. Passed.
3. Rice and Wicker. That we do not approve proposal No. 2, veterans, in Murray letter. Passed.
4. Mays and Johnson. That five (5) ushers be employed for each basketball game and that each usher be paid \$1 per game. Passed.
5. Wicker and Mays. That awards be given to the following athletes. Passed. An asterisk (\*) is placed after each name of the player who is to receive a letter and a sweater.

| January 5   | Middle Tenn.     | Morehead      |

II. Athletic scholarships awarded by the Athletic Committee of Morehead State College are granted on the following bases--

1. The athletic ability and performance of the student, this factor to be determined by the coaching staff.
2. The eligibility of the athlete for admission to college. The same admission requirements apply to all students. Before an Athletic Scholarship is granted, Forms A, B, and C of the Kentucky Association of Colleges and Secondary Schools must be on file in the Registrar's Office.
3. The general reputation of the prospective student. The athlete's reputation must be such that the Athletic Committee feels that he will prove to be a satisfactory student and citizen during his period of residence. Bases for judgment on this point are the recommendation of the coaching staff and the information contained on Forms B and C of the Kentucky Association of Colleges and Secondary Schools.

III. An Athletic Scholarship at Morehead State College is granted for a period of one academic year and may be renewed from year to year subject to the following conditions--

1. The holder must meet the same academic requirements as other students.
2. The holder must maintain the same standards of conduct expected of other students.
3. The holder must meet and maintain the requirements pertaining to eligibility for intercollegiate participation in athletics.
- ✓ 4. The holder must maintain a standard of athletic performance that meets with the approval of the coach in charge of the sport involved.

Note: It is understood that failure to comply with any of these requirements may result in the cancellation of an Athletic Scholarship by the Athletic Committee at any time.

IV. An Athletic Scholarship will not be granted for summer school attendance except in the following cases--

1. The student involved enters this College at the beginning of a second semester. If it appears to be desirable for this student to be eligible for participation the following first semester, a scholarship for summer school attendance may be granted.
2. An otherwise desirable student fails to earn the required 23 semester hours of credit during the academic year because of injury or serious illness. In such cases a scholarship for summer school attendance may be granted if such action will permit removal of the deficiency for athletic eligibility.

The Athletic Committee met in Dean Lappin's office on July 12, 1952. The following members were present: Rice, Wicker, Mays, Johnson, Spain, Lappin, and Hogan.

#### QUESTIONS BEFORE THE COMMITTEE

1. Policies relating to athletic scholarships. Report by Subcommittee, Lappin and Wicker, was read by Lappin.

The report on POLICIES RELATING TO ATHLETIC SCHOLARSHIPS follows. It was approved with the following modifications.

1. The \$2.00 allowed daily for board shall be broken down as follows:  
30¢ will be allowed for breakfast; 85¢ for lunch; and 85¢ for dinner.
2. That the three married athletes--Goble, Hicks, and Walton--who now hold scholarships be allowed \$10.00 each per month toward a college apartment.
3. That a statement about partial scholarships be included in the report--this type of scholarship to include room and fees only and not board and books.

#### POLICIES RELATING TO ATHLETIC SCHOLARSHIPS

(A)

##### 1. A Full Athletic Scholarship at Morehead State College consists of--

1. Board--All meals included in this provision are to be taken at the College Cafeteria. A daily maximum cost of meals is stipulated. The maximum for the year 1952-53 is \$2.00. This allowance is not cumulative and the only charges that can be made against it are for food consumed personally by the student holding the scholarship. [(Exceptions to this provision are being made in the cases of William Goble, Jimmie Hicks, and Truman Walton. Other arrangements had been made with them prior to the adoption of this policy.)]
2. Room--The room provided the holder of an Athletic Scholarship will be in one of the Men's Residence Halls. No other arrangements for rooming facilities will be made. (Exceptions in the cases of Goble, Hicks, and Walton.)
3. Fees--All fees with the exceptions of the Deposit Fee and Yearbook Fee.
4. Books--This provision includes books required for class use. It does not include materials of the workbook type. These books are loaned to the athlete and must be returned to the College, in good condition, at the close of the period of need.

*Exceptions referred to under "IR" were included by mistake, and, therefore, should be expunged.*

*Russ L. Anderson  
9-8-1952*

##### (B) A Partial Scholarship at Morehead State College consists of--

1. Room--See statement on this point under (A) above.
2. Fees--See statement on this point under (A) above.

Note: It is understood that the College will assume no obligation of any kind for dependents of the holder of an Athletic Scholarship.

The Athletic Committee met in the office of the Business Manager of the College on May 23, 1952. Members present: Hogan, Rice, Mays, Laughlin, Johnson, Wicker, Rice, Anderson, and Fair. The Chairman, Mr. Fair, presided.

#### QUESTIONS BEFORE THE COMMITTEE

1. 1952-1953 football schedule.
2. Contract for football game with Middle Tennessee College on October 18--whether date should be changed.
3. Basketball schedule--16 games scheduled to date.
4. Policies concerning awards for athletes and cheerleaders.
5. Use of football field for intra-mural athletics--believed unnecessary and damaging to field.

#### MOTIONS

1. That the following football schedule for the 1952-1953 school year be approved. Introduced by Rice; seconded by Mays; passed.

|          |                |       |         |

| 11       | Western        | Here  |         |
| 18       | Middle Tenn.   | There | 750     |
| 25       | Eastern        | Here  |         |
| Nov. 1   | Murray         | There | 750     |

2. That the contract with Middle Tennessee College stand as approved originally. Introduced by Rice; seconded by Hogan; passed.
3. That the Chairman of the Athletic Committee be given a list of the athletes due awards not later than 15 days after the season ends for the respective sports. Introduced by Mays; seconded by Laughlin; passed.
4. That the College give only five awards for cheerleaders, selection of the five leaders to be supervised by the Mystic Club. Introduced by Rice; seconded by Johnson; passed.
5. That only letters (8" chenille) be given for minor sports--tennis, baseball, track, etc., and that the same procedures be employed in granting these awards as in other sports. Introduced by Johnson; seconded by Wicker; passed.
6. That letters be awarded to the following baseball players: Harold Barker, Robert DeLonga, Harold Radcliffe, Paul Butcher, William Hauck, Joseph Corbett, Tom Kubeck, Irvin Spencer, Wendell Jones, Woodrow Tolle, Elmer Litteral, William Goble, Dave Harris, and Arnold Henry, Manager.

7. That the following policies be adopted for major sports at the Morehead State College. Introduced by Rice; seconded by Johnson; passed.
- ✓(a) That all awards for major sports be standardized, selection of the awards to be made by the Athletic Committee.
  - (b) That standardized awards be handled by the College Book Store.
  - (c) That a list of the names of the athletes who are to receive awards be given to the College Business Manager and the Manager of the College Book Store immediately after approval by the Athletic Committee.
  - ✓(d) That athletes of major sports be limited to two awards; namely, FIRST YEAR, sweater; SENIOR YEAR, a choice of either a sweater with letter; basketball or football emblem; a jacket; or a blanket.
  - (e) That all awards to athletes be presented to them in convocation when possible.
  - (f) That eligibility be based on the usual minimum participation in 1/4 of the quarters of the scheduled games.

Meeting of November 1, 1951

Present: Fair, Rice, Mays, Hogan, Wicker, Johnson, Lappin. President Spain met with the Committee.

Moved by Johnson and seconded by Wicker that the prices of admission for basketball games during the 1951-52 season be fixed at \$ 1.25 for conference games and \$ 0.75 for non-conference games. This motion received two affirmative votes, two negative votes, and two members did not vote. The motion was declared lost.

Moved by Johnson that 50 season tickets be sold for the 1951-52 basketball games ( 12 games) for the price of \$ 7.50 and that these tickets should be sold by November 20th. Motion lost for want of a second.

Moved by Rice and seconded by Mays that the policy on admission prices for the 1951-52 basketball games be the same as that followed for the basketball season of 1950-51 with the following exception: In the three double-headers in which Breckinridge Training School appears the prices to be charged shall be-- \$1.00 for adults and \$0.50 for high school students. Motion carried.

Moved by Mays and seconded by Rice that the completed basketball schedule as filed by Coach Johnson be approved. Motion carried.

*Linus A. Fair*  
 Linus A. Fair, Chairman

Meeting of January 21, 1952

Present: Fair, Rice, Johnson, Laughlin, Wicker, Hogan, Mays, Lappin. President Spain and Coach Radjunas met with the Committee.

Mr. Fair reported that the application of the College for membership in the NCAA had been filed with the proper authorities. According to the regulations of that body, the matter is now entirely in their hands and it may be several months before anything more is heard from them.

President Spain furnished members of the Committee with figures prepared by the Business Office showing the financial history of athletics at the College for the last five years. In his presentation of the data to the Committee, President Spain made the following statements--

Major Premise: In view of the financial outlook for the next biennium, the College cannot continue to operate an athletic program on the scale that is being maintained at the present time.

He presented several alternatives which he felt might be given consideration. These alternatives were--

1. Discontinue football entirely and continue basketball on the present basis.
2. Reduce the number of football scholarships to a considerable degree.
3. Change the type of athletic scholarship so that athletes would be allowed their board only during playing seasons.
4. Go to "amateur football"-- allow football players only room and fees.

During the discussion of the foregoing proposals, it developed that opinion concerning the various alternatives was divided and that the total problem was complicated by certain other factors such as:

1. If the College discontinues football we would no longer be eligible for membership in the Ohio Valley Conference, but one of the requirements for membership in the Southern Association of Colleges and Secondary Schools is that a member must be affiliated with a recognized athletic conference.
2. If the policy of "amateur football" was adopted it was felt that we should not attempt to continue to play the other Ohio Valley Conference teams.
3. If we do not play the Ohio Valley Conference teams how would we be able to make a satisfactory schedule?
4. Regardless of the plan that is finally adopted, what is to be done about the boys who are now on the campus who came here with the understanding that they would have an athletic scholarship for four years provided they met our requirements?

After extended consideration, the following motion was made by Rice and seconded by Wicker--

In view of the financial situation confronting the College and all of the other factors involved in the present intercollegiate athletic program that this college is attempting to sponsor, it is the recommendation of the Committee that the program of intercollegiate athletics be curtailed. This program for the year 1952-53 should be as follows--

1. The men now holding football scholarships who will presumably be in residence during the year 1952-53 should be continued on this basis providing they qualify in all respects for receiving

The Athletic Committee met in Dean Lappin's office on June 12 at 7:00 p. m. The following members were present: Anderson, Johnson, Fair, Jackson, and Lappin.

**BUSINESS BEFORE THE COMMITTEE:** Basketball and football schedules for the year 1951-1952; proposed program for basketball with the College, Breckinridge, and the Morehead High School, program designed to free the gymnasium for other activities; namely, intramurals, dances, and miscellaneous social activities; and other items, such as control of concessions at athletic events and a football game at Maysville.

**MOTIONS:**

1. That the 1951-1952 football schedule be approved. Introduced by Lappin; seconded by Fair; passed unanimously.
2. That the football game with the Murray State College on November 3 be designated as the Homecoming game. Introduced by Lappin; seconded by Johnson; passed unanimously.
3. That the 1951-1952 basketball schedule be approved. Introduced by Lappin; seconded by Anderson; passed unanimously.
4. That all high school students be admitted to the following football games at a price of 50 cents, and that a section of the stadium be designated for them. Introduced by Jackson; seconded by Fair; passed unanimously.

September 29, East Tennessee State  
 October 6, T. P. I.  
 October 20, Middle Tennessee State

5. That the American Legion be permitted to use the Athletic Field on July 4. Introduced by Anderson; seconded by Johnson; passed unanimously.

It was agreed that football games would start as follows: East Tennessee State on September 29 and T. P. I. on October 6 at 7:30 p. m.; Middle Tennessee State on October 20 and Murray State on November 3 at 2:00 p. m.

Coach Johnson announced that a camera and a loud speaker unit, at a total cost of \$729, had been purchased from the proceeds of the sale of athletic programs, and that both were available for the use of the College. He also announced a total of 55 scholarships for the year 1951-1952, distributed as follows: football, 38; basketball, 16; and one for the Manager, Jack Osborne, a player who was injured during the previous season.

The Committee authorized Coach Johnson to contact Coach Laughlin and Monroe Wicker for the purpose of planning a cooperative basketball program that would free the gymnasium for intramurals and other activities for the 1951-1952 school year.

The Committee suggested that the admission charge to football games for adults be set at \$1.25, the regular price prevailing during the 1950-1951 season.

Coach Johnson was instructed to investigate the possibility of a basketball game with Maysville--probably on Thanksgiving night.

The Athletic Committee met in Dean Well's office on April 14, 1949. Members present: Lappin, Johnson, Pepper, Jackson, Fair, Rice, Mays, Wells, and Anderson.

It was the opinion of the Committee that

1. Baseball palyers who attend the Spring term and summer school may compete by permission of each school, even though they do not make the required 23 or 24 semester hours. Dean Lappin stated that players should pass in proportionate semester hours.
2. "Sonny" Allen should be left out of all S. I. A. A. baseball games.
3. "Dick" Scroggin's failure to make the required number of semester hours was due partially to the change from the quarter plan to the semester plan, but he advanced, however, one year in school. (In all cases in which problems cannot be settled by school, authority rests with the Ohio Valley Judiciary Committee)

MOTION:

The Athletic Committee met in Dean Well's office on January 29, 1949. The purpose of this meeting was to determine the duties and responsibilities of the Committee. The following members were present: Anderson, Rice, Baird, Lappin, Mays, Jackson, Fair, Hogan, Wells, and Johnson. Results of the meeting follow:

#### DUTIES AND RESPONSIBILITIES

1. To approve in advance all tournaments to be held on the campus and the conditions under which they are to be held.
2. To control all concessions at all athletic events.
3. To approve all schedules of all intercollegiate athletic events as to type, number, and general nature. Financial arrangements, such as contracts, costs of trips, and estimated income, however, must be made with the Business Manager of the College.
4. To set prices for admissions for all intercollegiate athletic events.
5. To determine the seating arrangements for all intercollegiate athletic events.
6. To set the hour for all intercollegiate athletic events.
7. To pass on all intercollegiate athletic awards, including the number receiving such awards.
8. To determine free admissions to all intercollegiate athletic events.
9. To serve as an advisory body on any matter pertaining to athletics which may not be assigned to the Committee as a specific duty.

Signed,

  
Secretary

  
Chairman

The Athletic Committee met in Dean Well's office on Tuesday, March 29. Members present: Anderson, Baird, Jackson, Mays, Rice, Wells, Lappin, Pepper, and Johnson.

Quotation from the Constitution of the Ohio Valley Conference, Article VI, in answer to the question, Who certifies to the eligibility of players?

- A. The Chairman of the Faculty Committee on Athletics shall certify the eligibility list of his college to the Secretary of the Conference. The Registrar at each institution shall certify all athletes as to classification and credits.
- B. The Chairman of the Faculty Committee on Athletics shall send to the Secretary of the Conference as many eligibility lists as there are schools in the Conference. The Secretary shall keep one list and mail one to each other member school.
- C. Eligibility lists shall include a complete record of each migrant, and each Junior College graduate.
- D. -----This list shall be signed by the Athletic Director, the Registrar, and the Chairman of the Faculty Committee on Athletics of the institution.

The Athletic Committee met in Dean Lappin's office on December 8, 1948. The following members were present: Rice, Anderson, Jackson, Johnson, Mays, Wells, Pepper, and Fair.

#### QUESTIONS BEFORE THE COMMITTEE

Should gate keepers keep a list, similar to the one required in football, for basketball games? The Committee agreed that such list would be unnecessary and next to impossible to obtain at basketball games.

What is the remedy for the unsatisfactory conditions in respect to students prevailing at basketball games as a result of the policy relating to reserve seats? It was recognized by the Committee that little could be done this year, since reserve tickets had already been sold to outsiders. The belief prevailed, however, that insufficient space allocation to students was unfair. Johnson suggested that an effort be made to get all students to the game by 7:00, and that no general admissions be sold until all reserve tickets had been exhausted and students had had an opportunity to fill the section allocated to them.

Should Fair attend the S. I. A. A. meeting in New Orleans in December? It was the opinion of the Committee that it would be necessary for Mr. Fair to receive a statement from the President of the College in view of the fact that the Committee had no authority to act in such cases.

The Committee was of the opinion that meetings from here on were unnecessary unless definite responsibilities and authority were placed with the Committee by the President of the College. As a result, the following motion was introduced by Rice; seconded by Lappin; and passed unanimously:

We, the members of the Athletic Committee, do not like to spend time discussing propositions over which we have no control, and if the Committee is to continue, we would like to know what our authority is.

The secretary was requested to send a copy of the motion to the President of the College. The duty was performed.

Signed,

  
Secretary

  
Chairman

The Athletic Committee met in Dean Well's office on January 24, 1949. The following members were present: Rice, Jackson, Fair, Wells, Mays, Baird, Lappin, Johnson, Anderson, and Hogan.

The primary purpose of the meeting was to discuss the question of concessions to athletes at Morehead. Coach Johnson was of the opinion that other state colleges were giving their athletes more in the form of scholarships than Morehead. A committee, therefore, was appointed by the President of the College to investigate special concessions to players who attend other Kentucky colleges. Members of the Committee: Johnson, Chairman; Wells; and Hogan.

#### MOTION

That we have a baseball schedule for 1949-1950 consisting of not more than 12 games. Introduced by Rice; seconded by Lappin; passed unanimously.

Signed,

  
Secretary

  
Chairman

The Athletic Committee met in Dean's Lappin's office in May, 1948. The following members were present: Rice, Anderson, Lappin, Baird, Jackson, Hogan, and Johnson.

Finances relating to the Athletic Program, especially scholarships, were discussed. It was agreed that a scholarship for athletes usually included room, board, tuition, and books. President Baird, however, stated that he would investigate the plan used by other colleges in the State.

In connection with scholarship athletes, the Committee expressed the opinion that in the event of injury the player should not be carried for more than one year, or the year in which he is injured unless he is able to play the following year.

#### MOTIONS:

1. That the 1948 football schedule be approved, which included the game with Eastern for Home-Coming. Introduced by Jackson; seconded by Fair; carried unanimously.
2. That the following outstanding bills be paid out of the Special Activity Fund. Introduced by Jackson; seconded by Johnson; carried.

|   |         |
|---|---------|
| RYAN FLORAL COMPANY, Martin, Kentucky, covering flowers for Bill Martin's father. | \$10.00 |
|---|---------|

|   |       |
|---|-------|
| Dr. Harold Blair, Morehead, Kentucky, covering dental work for Bill Martin. | 40.00 |
|---|-------|

|   |       |
|---|-------|
| Ellis Johnson, covering dental work for Tommye Lyons. | 12.00 |
|---|-------|

|  |      |
|--|------|
| BISHOP'S DRUG STORE, Morehead, Kentucky, covering penicillin for Jack Pobst. | 4.60 |
|--|------|

3. That Coach Johnson be reimbursed in the amount of \$193.50, out of the Special Activity Fund, for fees paid to the Business Office of the Morehead State College for non-veterans. Introduced by Baird; seconded by Lappin; carried.

The Committee adjourned at 5:00.

Signed,

  
Secretary

  
Chairman

The Athletic Committee met in Dean Lappin's office on September 16, 1948. The following members were present: Anderson, Mays, Johnson, Baird, Fair, Rice, Lappin, and Jackson.

It was agreed that the upper gate be used exclusively for free admissions of all types, and that the name and address be kept of each person admitted free, with the exception of special groups, such as bands, cheer leaders, etc.

#### MOTIONS

That all high school students be admitted at half price at the Cedarville football game on October 23, and that a separate ticket window be kept open for individuals in this group. Introduced by Hogan; seconded by Lappin; passed unanimously.

That no special rates be made to anyone, except high school students who attend the Cedarville game. Introduced by Baird; seconded by Johnson; passed unanimously.

That the bill in the amount of \$60.00 due the Raconteur be paid, provided the money is needed to balance the Raconteur Account in the Business Office. Introduced by Lappin; seconded by Rice; carried.

That the Battson Drug Store be paid \$14.00 out of the Special Fund for medicine furnished to Milan Purpich. Introduced by Baird; seconded by Rice; passed unanimously.

Signed,

  
Secretary

  
Chairman

## 8. Cross-Country Track Awards.

Motion: Lappin-Rice. That the following cross-country track awards be made. Passed.

Coburn M. Black  
George Briscoe  
Kenneth I. Daugherty  
Chester Greene, 1952 and 1953  
Jack Hedland  
Hayse McCoy  
Jo Een Wheeler  
William J. Wooton

## 9. Proposal in regard to track--Fowler

Motion: Rice-Laughlin. That annual awards in track and field be as follows:

First year: A letter  
Second year: A small silver track shoe  
Third year: A lightweight coat sweater  
Fourth year: A blanket

The Athletic Committee met in President Spain's office on March 8, 1954. Members present: Rice, Anderson, Spain, Hogan, Fair, and Lappin.

Questions Before Committee

1. Number of scholarships for the members of OVC. Coach Laughlin was appointed as a delegate for Morehead State College. He was instructed to vote for a limit of 50, unless it became necessary to raise the limit because of moves or trends of other schools.
2. "Sonny" Allen and the coaching situation at Morehead State College. It was agreed that Allen would be appointed an Instructor in Physical Education and Assistant Basketball Coach for one academic year at a salary of \$200 per month. No definite commitments, however, were made <sup>for the future</sup> at the meeting. The Chairman, Mr. Fair, excused himself from the meeting during the time Mr. Allen's position was under consideration. *R.C.A. Omission*
3. Coach Laughlin and the basketball situation. Coach Laughlin was to remain as Head of the Department of Physical Education and Director of Athletics and Head Basketball Coach. Coach Laughlin was to receive an increase in salary in the amount of \$600 as a consideration for duties performed as Head Basketball Coach, said increase to be discontinued when a new Head Basketball Coach is appointed. It was generally understood that "Sonny" Allen would have an opportunity to become Head Basketball Coach at the end of one year, or when he receives an M. A. degree.

The Athletic Committee met in President Doran's office on July 28, 1954. Members present: Anderson, Doran, Lappin, Rice, Fair, Laughlin and guest member, Jamerson.

#### QUESTIONS BEFORE THE COMMITTEE

1. Basketball Schedule for School Year 1954-1955. Motion: Rice-Anderson. That the following schedule be approved. Passed. Exhibit (1)

2. Price of Tickets at Basketball Games. Motion: Rice-Laughlin. That the following price schedule be approved. Passed.

- |   |        |
|---|--------|
| (a) Western, Eastern, Colorado State, and<br>Murray games | \$1.50 |
| (b) All other home games                                  | \$1.00 |
| (c) Season ticket   | \$9.00 |

3. Cheerleaders. Motion: Rice-Laughlin. That the following apply to cheerleaders: (1) That the total number be limited to 5; (2) That the college give not more than five awards to cheerleaders each year; (3) That only the five official cheerleaders be permitted to participate at athletic events; (4) That the five cheerleaders be selected and supervised by the Mystic Club; and (5) That selection of the five cheerleaders be supervised by the Sponsor of the Mystic Club.

4. Awards for Cheerleaders. Motion: Laughlin-Rice. That awards for the following cheerleaders be approved and that the college be authorized to reimburse each girl for the invoice price, \$10.95, of the sweater that was purchased by the girl prior to the approval of the awards by the Athletic Committee: Eleanor Bruce, Peggy McCarty Swartz, Faye Schultz, Robin Goodpaster, and Shirley Potter. (The sweater purchased by Dorothy Ann Wyant was designated as a responsibility of the Mystic Club.)

4. Bernie Fieler. Committee thought it unwise to consider Mr. Fieler as a prospect for the 1954-1955 football team.

5. Band Practice on the Football Field. Mr. Laughlin was requested to attempt to work out with Dr. Weil a satisfactory arrangement concerning the use of the football for band practice during the football practice period. It was suggested by the Committee that a practice field for the band might be prepared in the area below the College Reservoir.

6. High School Football Day. October 9, Western Game, was designated as the day.

7. Operations, Swartz and Mayabb. Coach Laughlin reported that it would be necessary for each to have a knee operation. The cost of each operation was estimated at \$500, approximate one-half of which would be covered by insurance carried by the college.

The Athletic Committee met in President Doran's office on December 7, 1954, Members present: Fair, Doran, Anderson, Rice, Laughlin, Lappin, and Hogan.

### Questions Before Committee

1. Carl Deaton--Scholarship consisting of room and tuition for participation in track activities. Committee agreed that a scholarship for track was contrary to the policies of the Ohio Valley Conference. It was the opinion of the Committee, however, that Mr. Deaton should be given help in the form of a workshop.

2. Cheerleaders--sweaters. Motion: Hogan-Rice--that cheerleaders be awarded sweaters at the beginning of the school year. Passed. Cheerleaders for 1954: Sweaters: Peggy Jo Dingus, Claudia Davidson, and Jack Johnson. Letters: Dorothy Ann Wyant, Second year and Shirley Potter, second year.

3. Awards for track--Motion: Lappin-Laughlin--That the following receive awards for cross-country track. Passed

Discussed possibilities for baseball field for next spring. Agreed that it should be in the hollow this one year. Mr. Rice is to discuss this possibility further with Coach Allen.

Discussed question of ticket takers at ball games. President Doran said we could not afford more expense for athletics. He suggested that other faculty members might be asked to help. Will probably discuss this at a faculty meeting.

\*Partial Scholarship--lives in town.

Some of the athletes on the basketball and football scholarships may be removed from these lists after grades for this semester have been recorded. No student is to remain on the list if he could not be eligible for participation. Coach Laughlin is to check the grades at the end of the semester and reduce the total football and basketball scholarships to 55.

The question of having freshman games preceding varsity games was discussed at length. The problems concerning handling of the gates, requiring workmen to be on hand such long and odd hours, and the problem of handling passouts was thoroughly discussed. It seemed to be of general opinion that nothing could be done about the freshman games this year, but it was agreed that the freshman schedule would be presented to the Athletic Committee for approval with the hope that some other plan may be arranged at that time.

President Doran asked Mr. Hogan to make a list showing which people did act as gate keepers at each of the remaining games for this season.

Meeting adjourned.

The Athletic Committee met in the conference room on May 3, 1957. The following members were present: Lappin, Anderson, Fair, Doran, Rice, Laughlin, and Walter. The Chairman, Fair, presided.

### Motions

- (1) Lappin-Doran: That awards be approved for the following cheerleaders. Passed.

|                    | <u>Service</u> | <u>Classification</u> |
|--------------------|----------------|-----------------------|
| Cales, Mary Evelyn | 1 yr.          | Freshman              |
| Colvin, Billie     | 1 yr.          | Freshman              |
| Reed, Nancy        | 1 yr.          | Freshman              |
| Taylor, Patsy      | 1 yr.          | Sophomore             |
| Johnson, Joyce     | 2 yr.          | Sophomore             |

(Joyce Johnson did not receive an award for service during the school year 1955-1956, which was probably due to an oversight on the part of the Athletic Committee.)

- (2) Lappin-Rice: That not more than ten football games be scheduled for the school year 1957-1958. Passed.

- (3) Laughlin-Walter: That regular basketball <sup>awards</sup> and insignias for the O. V. C. Championship ~~be~~ be approved as follow:

ATHLETIC COMMITTEE MEETING  
December 4, 1958

The Athletic Committee met in President Doran's office on December 4, 1958. The following were present: Dr. Doran, Mr. Hogan, Dean Lappin, Dr. Walter, Mr. Laughlin, Mr. Fair, Mr. Rice, and Mr. Mays.

Several applications for the position of football coach were considered. It was agreed to invite Mr. Miller, Mr. Ibner, and Mr. Penney to the college for personal interviews.

The request of Austin Peay College for membership in the O.V.C. was discussed. On motion of Mr. Rice, the request was defeated.

President Doran read a letter from R. H. Eblen, secretary-treasurer of the Ohio Valley Conference, which noted several proposed changes in conference rules. All changes were approved except item No. 9, which proposed raising the scholarship limit from 55 to 60. This proposal was voted down by the committee.

ATHLETIC COMMITTEE MEETING  
President's Office  
March 22, 1960 - - 2:00 P.M.

Members present: Dean Lappin                      Mr. Fair  
                    Mr. Hogan                      Mr. Rice  
                    Mr. Mays                      Mr. Laughlin  
                    Dr. Walter                      Dr. Doran

Problems relating to the authority of the Ohio Valley Conference were discussed. Coach Laughlin stated that there was evidence that rules regulating the number of scholarship players allotted to each member school were not being enforced.

The Committee recommended that a judiciary committee be set up in the O.V.C. to handle complaints regarding infractions of rules and directed Coach Laughlin to present this suggestion at the next meeting of the O.V.C.

On motion of Dr. Doran and seconded by Mr. Rice the committee voted to authorize the Director of Athletics to schedule across the board games with Marshall College beginning in 1961.

On motion of Coach Laughlin and seconded by Mr. Mays the committee voted to have Homecoming, Oct. 8, 1961.

#### ATHLETIC COMMITTEE MEETING

The athletic committee met in the President's office at 2:00 p.m., Tuesday, November 15, 1960. All members of the committee were present.

Mr. Lappin moved, seconded by Mr. Rice, that the OVC should not pay its member twenty-five dollars per day and traveling expenses to attend conferenced of the OVC Judiciary committee meetings, but that each member school should pay their own representative's expenses. The motion carried unanimously.

Our representative to the OVC Conference to be held in Louisville, Kentucky on November 19-20 was instructed to vote "no" on the proposal to raise the number of scholarships in football and basketball from fifty-five to sixty. He was also instructed to vote "no" on the NCAA proposal for a national letter-of-intent.

A motion was made by Mr. Lappin and seconded by Dr. Doron to approve standards for sports awards as written below. The motion carried.

1. No letter will be awarded to a player that is not in good standing with the college at the time of the award.
2. The player must be a member of the student body at the time of the award unless he has graduated or officially withdrawn from the college because of extenuating circumstances.
3. Each player receiving an award for basketball must play in at least one half of the total number of games played during the season.
4. Letters are awarded in football on the basis of participation. Individuals awarded a letter award must participate in fifty per cent of the maximum number of quarters.

Mr. Laughlin made a motion and Mr. Rice seconded it to approve the football awards to the following boys for the 1960 season. The motion carried.
